RE: SPAR LETTER

Dear Parents:

The School Public Accountability Report for 2015-2016 describes our students' academic achievement in reading, writing, mathematics, and science as well as Springwood Elementary meeting the federal requirements of the No Child Left Behind Act. The report gives detailed information regarding the School Improvement Plan. The report is used as a planning guide for the upcoming school year. As our partner in education we encourage you to review the report to assist us with preparing students for a bright future.

Springwood Elementary School was identified as a **“C” school for the 2015-2016** school year. As the principal of Springwood Elementary I am dedicated to excellence and bringing about the needed adjustments to make us the best school we can be. We have a deep commitment to ensure growth in all academic areas and our staff has spent this summer addressing the NEW Common Core benchmarks and understanding better what we must do to make your child's school the best place for them to grow into college ready students.

Our Springwood family invites you to take an active role in planning for the educational improvements of your children. Parental involvement at school will make a difference. Our goal is to provide all students with the opportunity to excel in academics. We will not stop until every child reaches his or her full potential.

The 2015-2016 School Public Accountability Report for Springwood Elementary School is available for viewing in the office or can be viewed at <http://www.fldoe.org/eias/eiaspubs>. On behalf of Springwood, we thank you and appreciate your continued support of our school. We anticipate a remarkable year and look forward to seeing each of you.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Small'.

Dr. Christopher Small

Proud Principal
