

Dear Students and Parents,

Wow, summer is here! Along with playing, swimming and visiting with families, there will also be lots of time to read! Did you know that if you read just 20 minutes, 5 days per week, you will have read 1,000 minutes during the summer months. Not only that, but you will be practicing the

many things you have learned this year so you will be prepared to start the next grade. Included in this packet you will find: 1,000 minute reading map and recommended reading lists. You may read books from the lists or books of your choice. The reading map will be turned in the first week of school. Enjoy your summer and enjoy reading!

The **Sunshine State Young Readers Award** (SSYRA) is a state-wide reading program for Florida students. The SSYRA program encourages students to read for pleasure; the books span genres, interests and we challenge students to read as many as possible. Students who read at least 5 of the books will join other students in the state to vote for the best book of the year. Prizes and incentives will be introduced in the 2020-2021 school year.
