LEON COUNTY VIRTUAL SCHOOL PROFILE 2025-2026

SCHOOL MISSION

Leon County Virtual School, a franchise of Florida Virtual School, offers a comprehensive and individualized online learning experience designed to cater to the diverse needs of students. By promoting flexibility and self-discipline, the school empowers students to take ownership of their educational journey. With a variety of courses available, students can tailor their learning paths with the necessary approvals from parents and counselors, ensuring a supportive and guided enrollment process.

All virtual curriculum in Leon County is accredited by a national accreditation body as well as implemented with strict adherence to the student academic code of conduct. Each Leon County Virtual School teacher holds a valid state certification in their subject area and receives extensive annual training and continuous mentoring. Every teacher is required to maintain a close relationship with students, school guidance counselors, as well as reside locally.

Leon County Virtual School strives to provide the online learner with the full experience. We have a blended model learning center where students can attend face-to-face instruction with their teachers once a week. We offer monthly field experiences where students and teachers join forces and take the lesson into the community, expanding the student experience as well as fostering social interaction with peers and teachers. The Leon County Virtual School teachers and staff pride themselves on customer service to our students and families. The student is at the center of every decision that we make.
