Leon County Virtual School, a franchise of Florida Virtual School, offers online education to students in Leon and surrounding counties, serving grades 6-12. Students can enroll in individual courses or multiple courses throughout the year, all taught by highly qualified instructors at LCVS.

**LCVS is an approved provider  
for the Step Up Personalized  
Education Program (PEP)  
scholarships.**

Log in to your EMA Account and choose  
LCVS to serve your families needs.
