

Afterschool Updates

New Changes:

1st Grade: We are proud to announce that we will be integrating first grade with 2-5. 1st graders will now be able to participate in class selection and homework center.

One pick up: This year will attempt one pickup. Car pick up will still begin at 4:15 p.m. Parents using this service will need to come through the parent pick up lane.

New Cafeteria: If you are picking up before 4:15 please come to the new cafeteria

Text to Pick Up: Please see below text for more details.

All changes are subject to change*

Text to pick up:

We offer a text ahead program to make sure your child is ready when you arrive. To use this program, simply text this number (850) 792-6725 and indicate which child you are picking up. Please allow 10-15 min in advanced. If you are texting before 4:15 p.m. your child will be waiting for you downstairs in the old cafeteria. If you text after 4:15 pm then your child will be waiting for you at parent pick up. This is the first time we are trying this out. Please be patient with us for the first few months, until we can work out all of the kinks. Please do not text and drive.

The Extended Day Program will be using this tool to help stay in contact with our parents. Parents will be able to receive messages via text or email with updates on the program such as reminders about fees, any EDEP meetings or programs being hosted, and updates in case of an emergency. This is a voluntary option for parents. It is not required.
