Payment: We collect tuition one week prior to the start of the new cycle.

The due date is the last day to make a payment. A \$10.00 late fee will be automatically assessed for fees paid after the due date. Tuition may be paid prior to the due date to avoid late payment charges. Students will not be allowed to return to the program until payment and late fee are paid. Accounts must be at a zero balance for students to return. As a courtesy we will send reminders via remind. This is not a requirement of the program. Failure to send or post reminders will not result in the program waiving late fees. It is the parents' responsibility to make a payment on time. Please post this chart on your fridge and set reminders on your phones calendar.

Note: For families with multiple children, each additional child is only allotted ONE type of discount. You cannot receive any combination of the sibling discount, LCS employee discount, ELC, or Project Care together towards one child's fees. We do not offer a multiple program discount. Families with multiple children will be expected to pay the full rate for the first student and the discount will be applied to each additional child.

Pro Tip: Try setting a reminder of all tuition due dates, in your phone, planner & online calendar to avoid late fees.

Payment Due: Is the last day to make a payment to avoid late payment fee of \$10.00, payments may be made prior to the due date, however the due date. This date is typically 1 week prior to the start of the new cycle.
