

Mrs. Jones

Hi! My name is Robin Jones and I teach Language Arts/Writing/Reading. This is my 20th year teaching at Hawks Rise. I received my graduate degree from Florida State University, and I am currently working towards earning my PhD. I was honored to receive High Impact teacher for the state of Florida from 2018-2020. I am one of the very fortunate who can truly say I wake up everyday LOVING to come to work. I have two wonderful boys, Austin and Colin, which keep us very busy with friends, school, football games and "craziness!" I have two other 'four-legged' boys...Lou & Bentley! I love boating, travelling, beaching, the mountains & football! GO NOLES!!

Welcome to Fifth Grade!

I am so excited to spend this special time with you. We are on a journey this year which will involve success & failure, reflection & growth, dedication & patience. Although this journey will be different for each of you, we will learn our strengths and weaknesses together and tap into our talents to be our best. Strive to be all you can be....make your special mark this year!
