

Our
class
is a
FAMILY

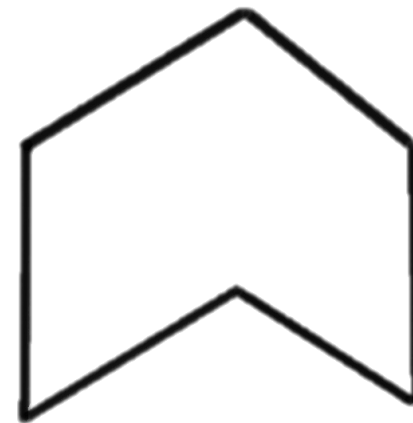

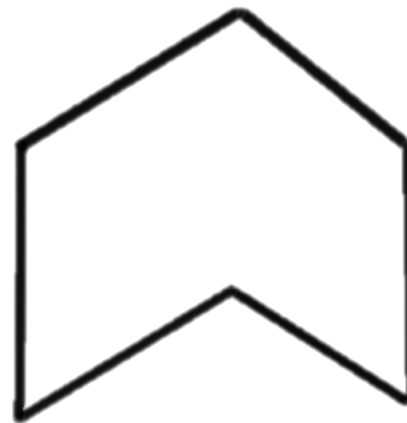

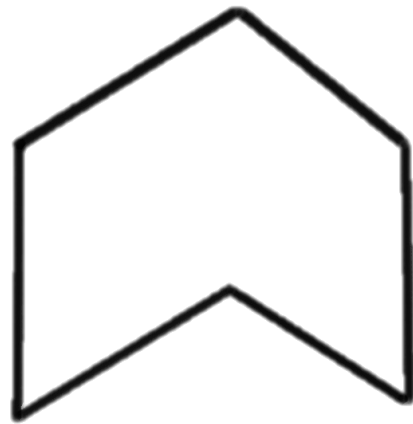

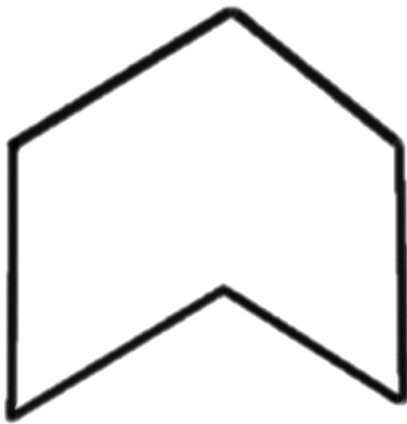

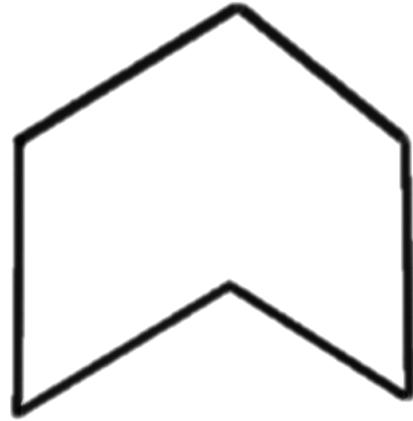

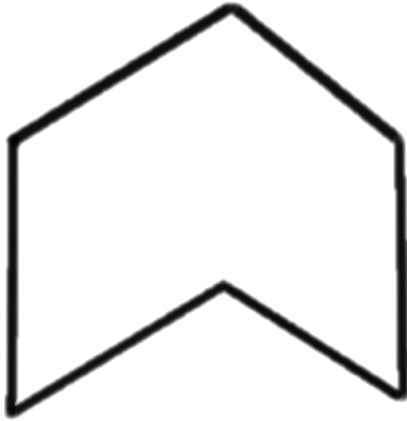

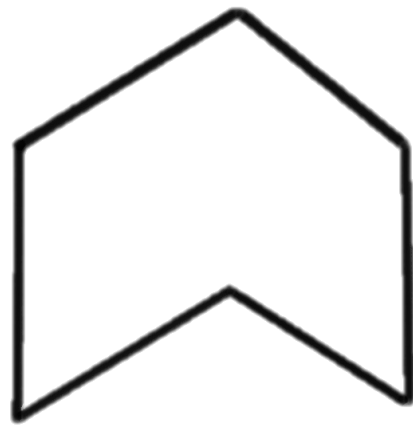

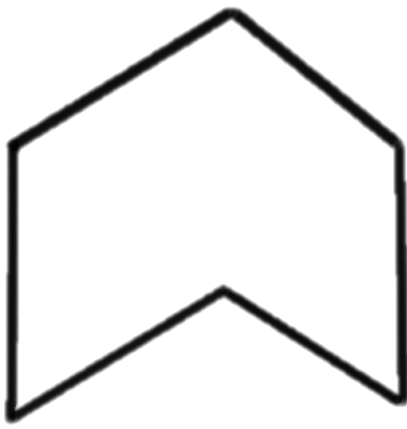

School building: Each student gets one copy. Print on white paper and allow students to color/design. Students cut this part out and glue it to their paper first.

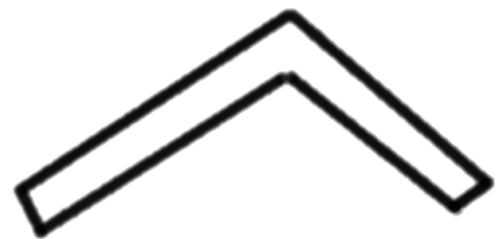

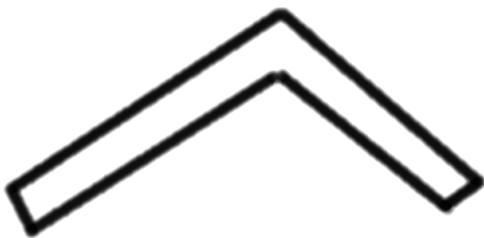

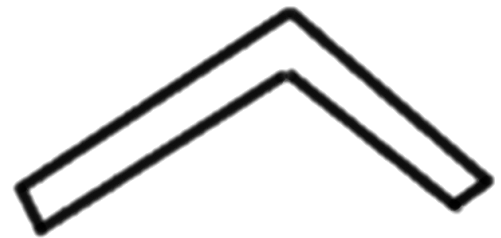

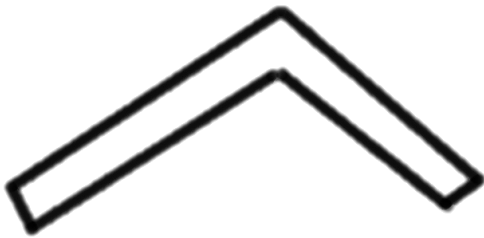

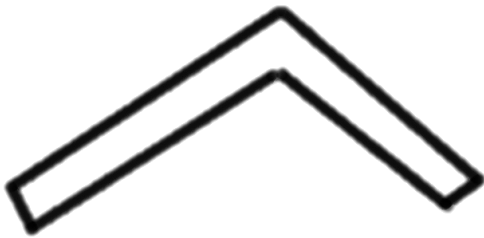

Our Class is a Family Logo: Each student should get one copy. Students should color, cut along the outside, and glue to the front of their school building.

School building roof: Each student gets one large roof.
Students color, cut, and glue on top of their school
building.

Top of School Building: Each student gets one top. Students color, cut, and glue to the top of their school building roof.

Top of School Building Roof: Each student gets one small roof. Students color, cut, and glue to the very top of their building.

Bell: Each student gets one bell. Students should cut, color, and glue it to the inside of the top of their school building.

I can show kindness at
school by:

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

My class is like a family
because:

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

I can make my classroom
a home by:

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

I am unique because:

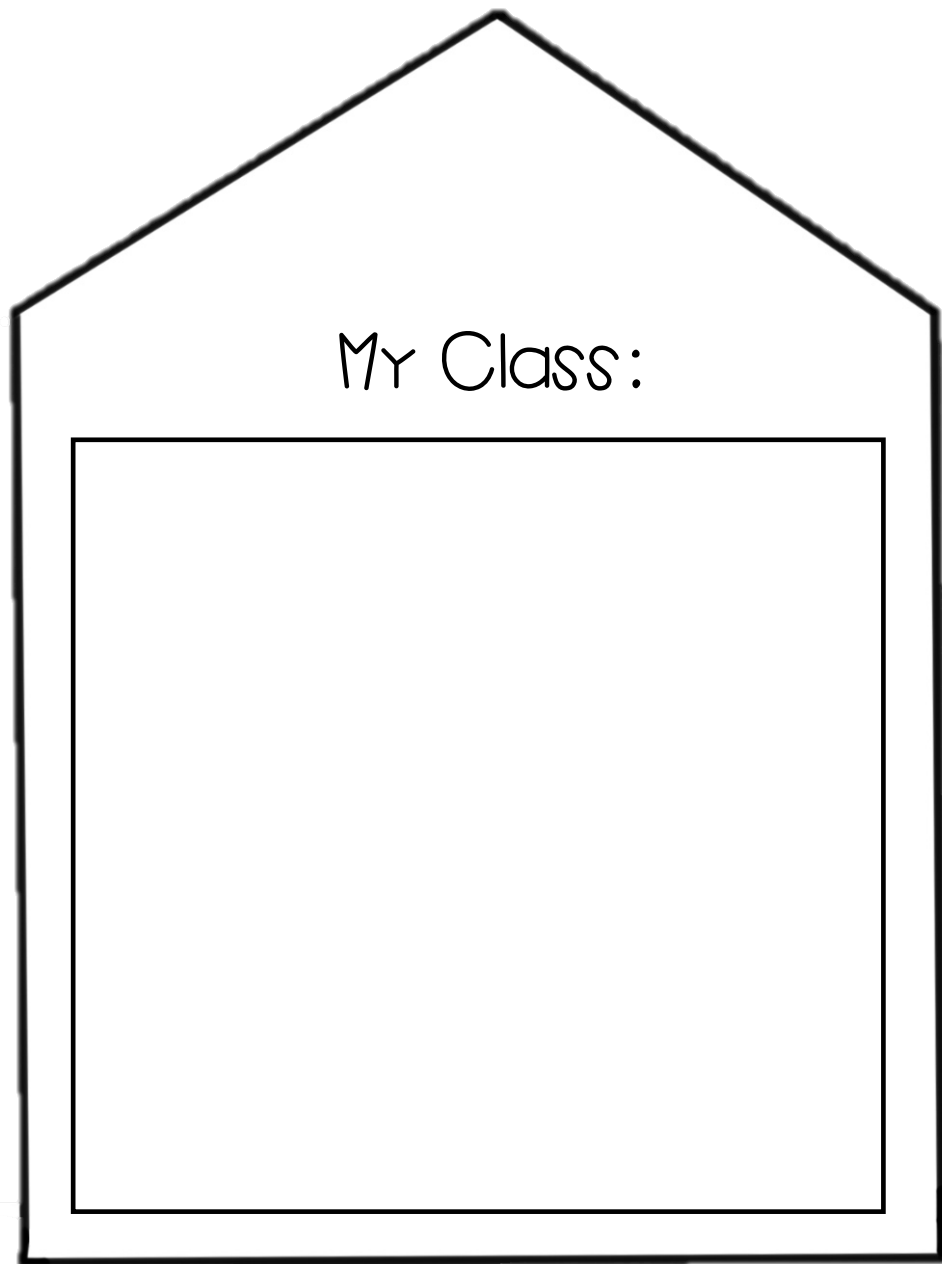

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

Being unique is cool
because:

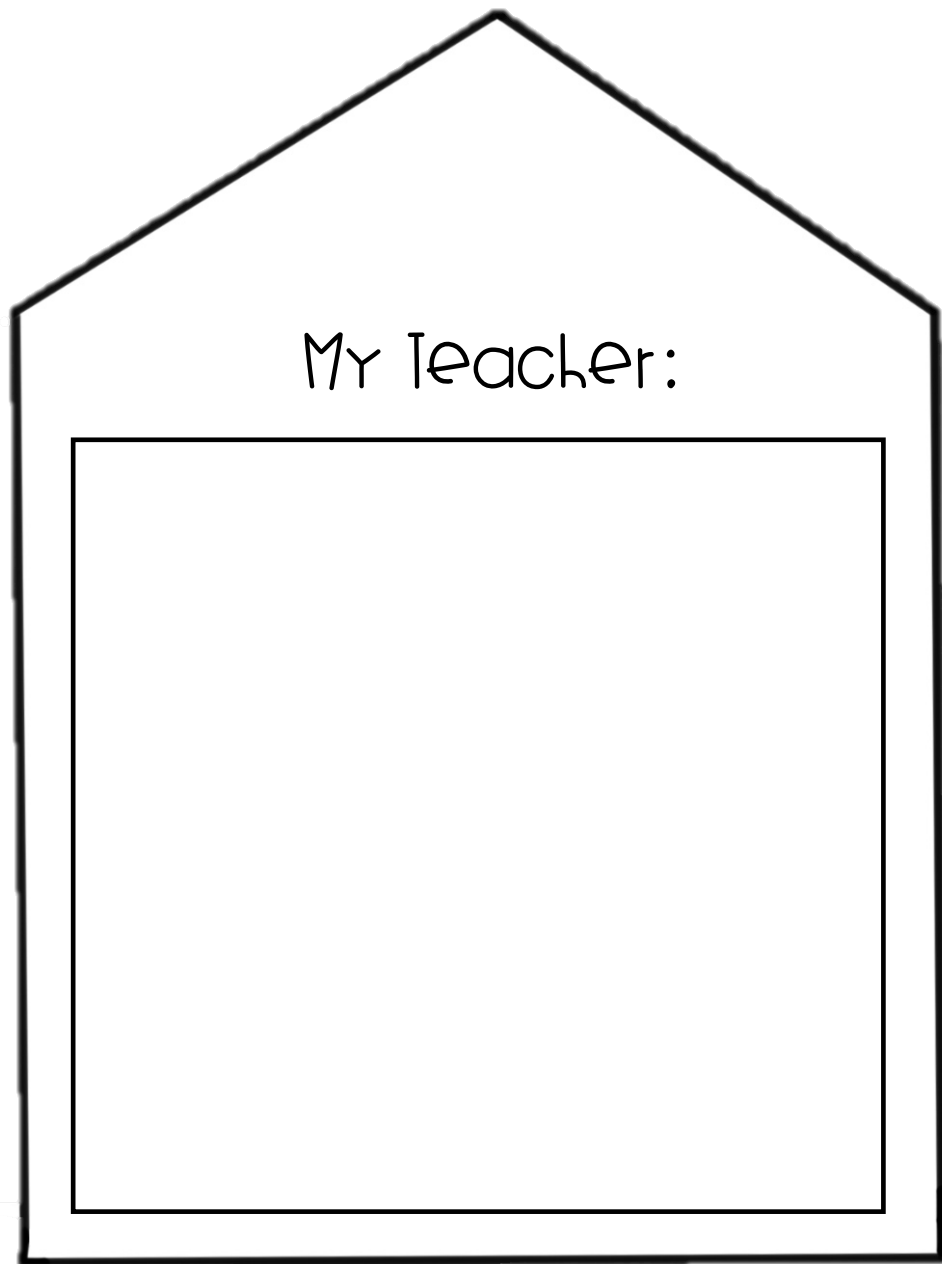

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

I can be a good
classmate by:

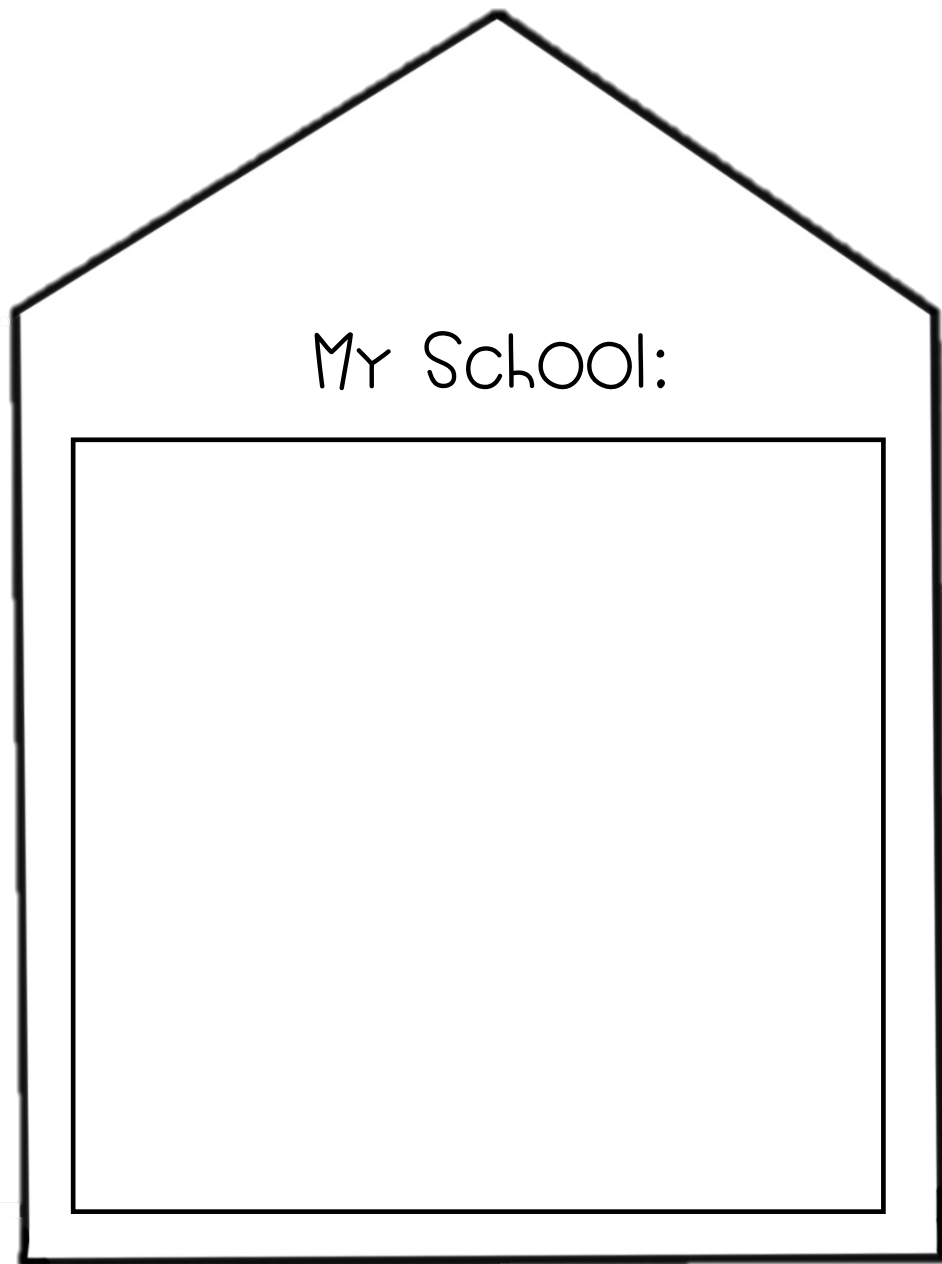

Writing Paper: Each student should get one copy of each writing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

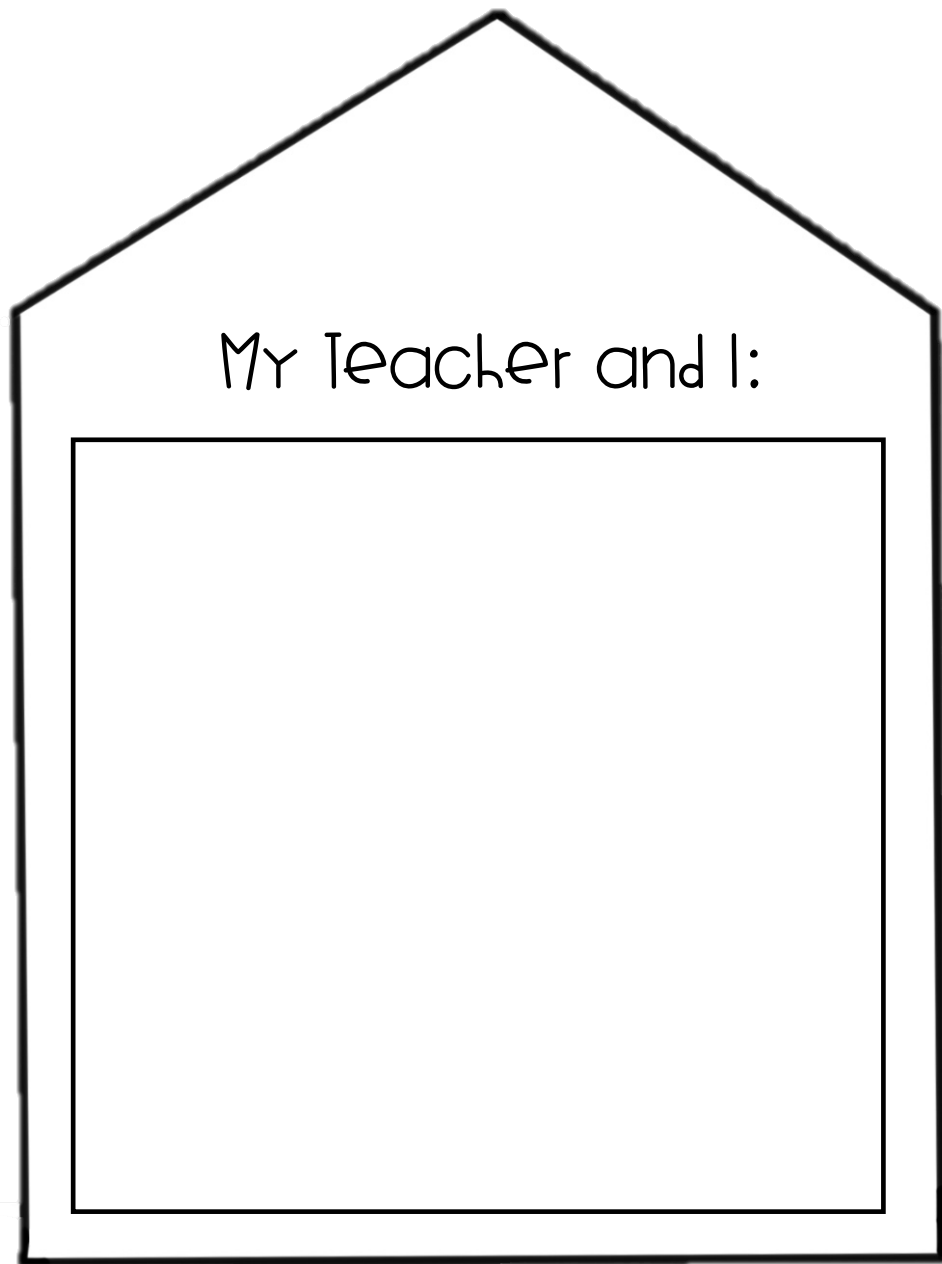

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

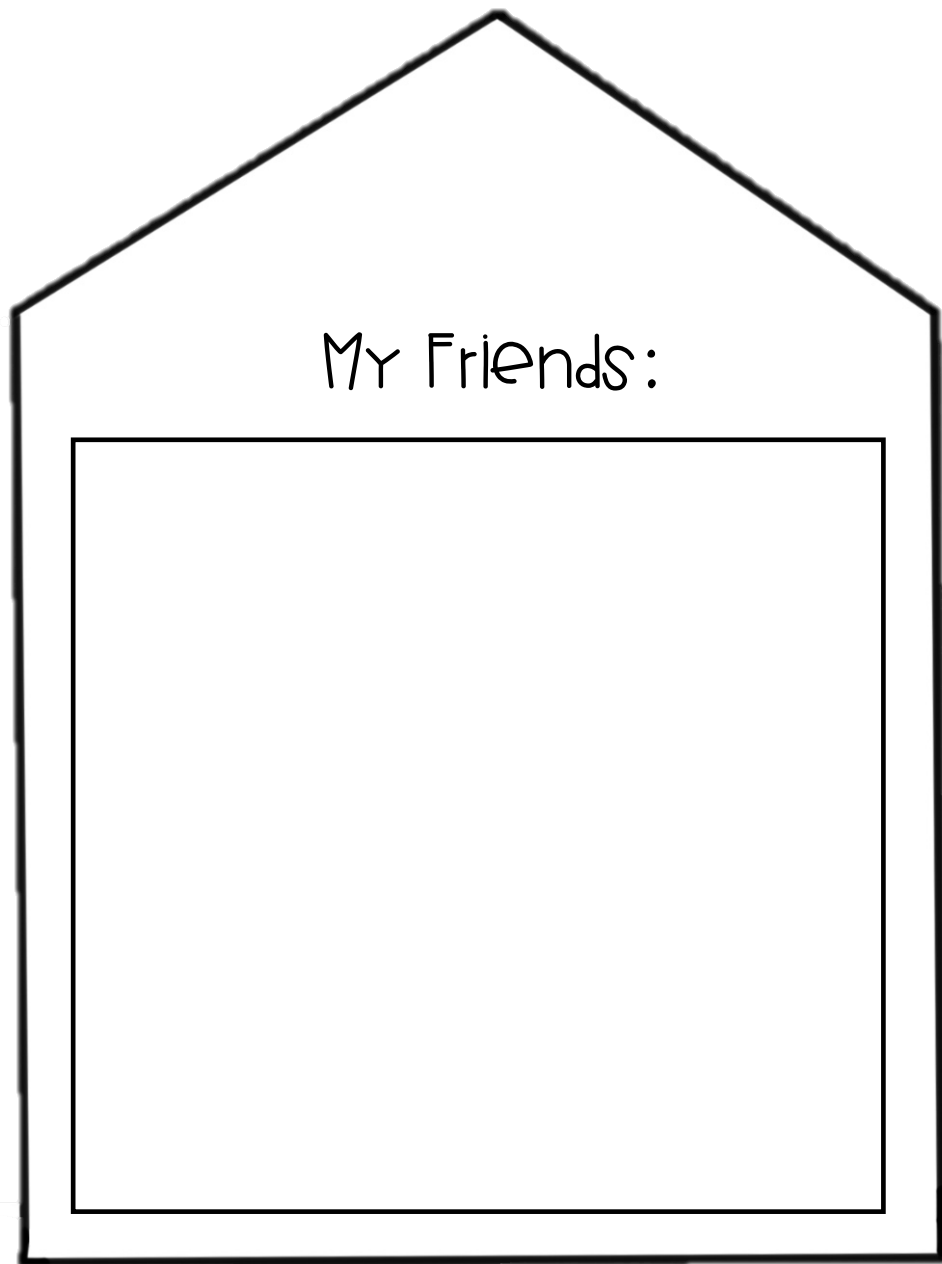

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

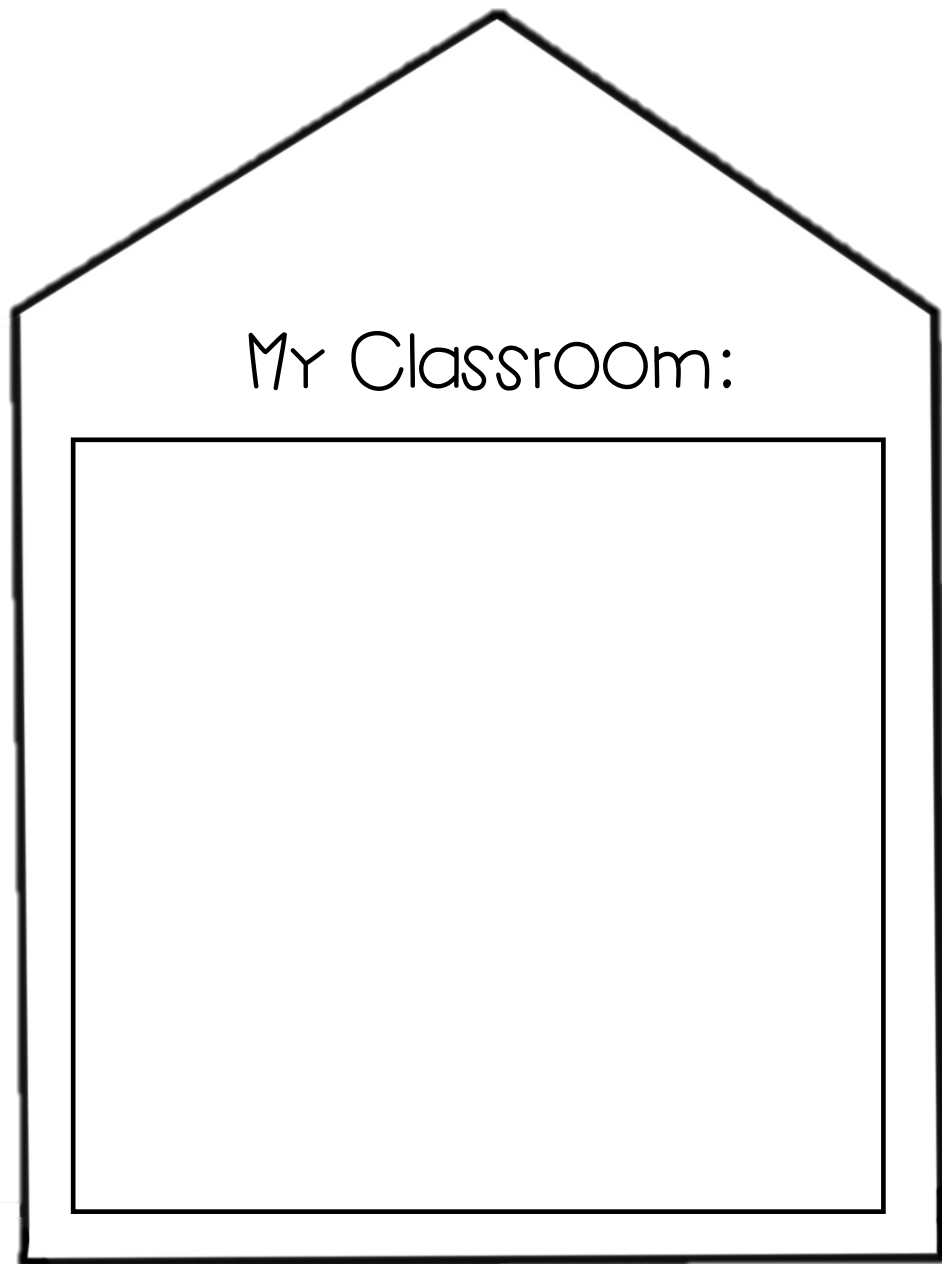

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

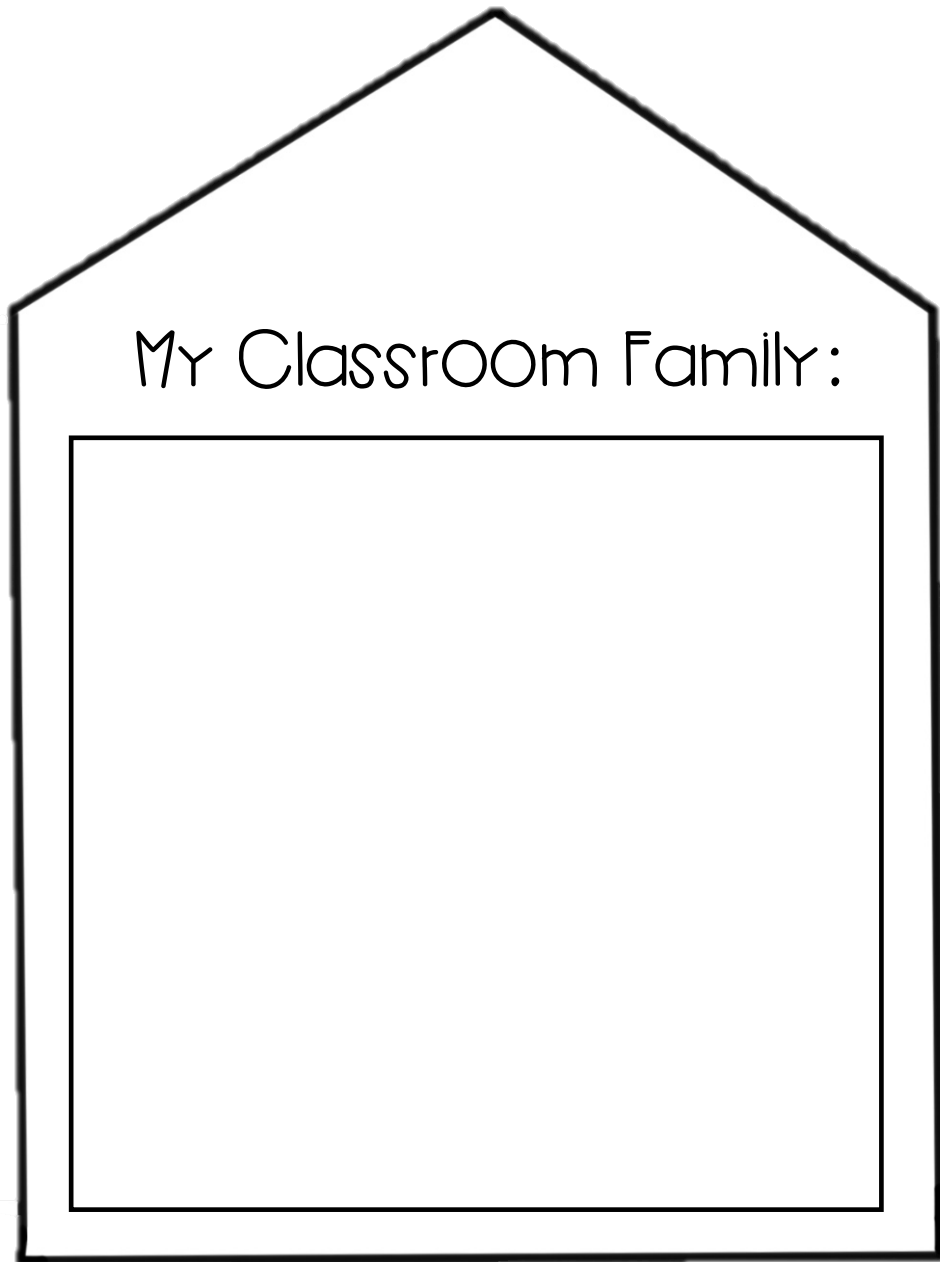

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)

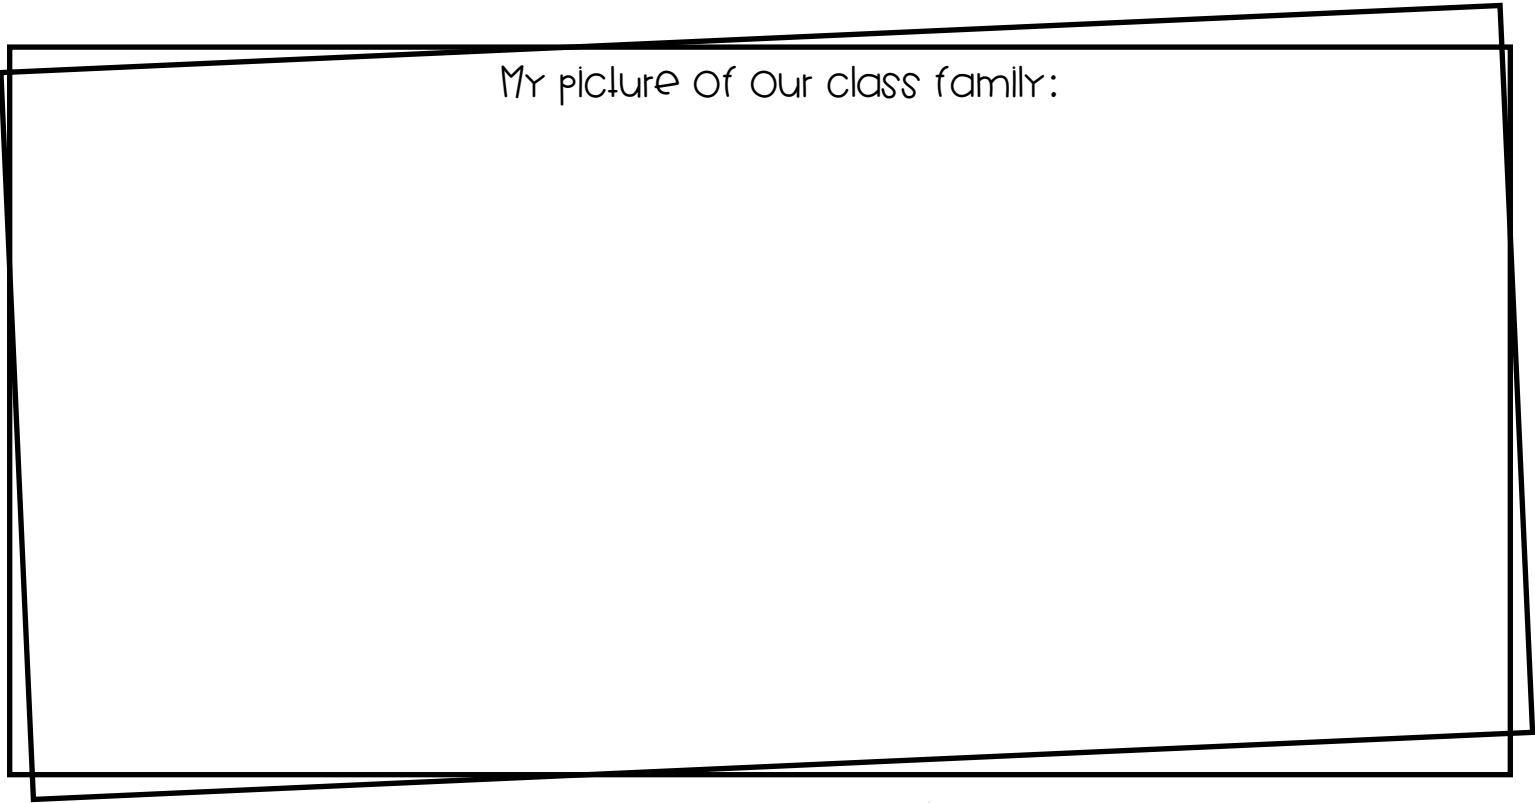

Drawing Pages: Each student should get one copy of each drawing paper, fill it out, and staple it to the back of their school to create a flipbook! :)
