SUMMER CURRICULUM AND MATERIALS PROFESSIONAL DEVELOPMENT

Look for exciting opportunities to develop and work with curriculum and materials in the 2021 Summer Professional Learning Catalog (coming in May). Opportunities to address curriculum and materials needs are currently being reviewed and planned for by the Office of Professional Learning in conjunction with the Instructional Materials Coordinator and World Language District Representatives.

Step One: Assessing Curriculum Needs

Step Two: Collaborative Planning and Networking (Summer PD Opportunities specifically for World Languages)

Step Three: Implementation of Summer work and PD team monitoring for continuous improvement.
