

MEET THE TEACHER:

Ms. Piper

ABOUT ME:

My name is Penny Piper and I am so excited to be your child's teacher this year! This is my 33rd year of teaching and I have been at Hawks Rise for 22 of those years! I was born in Kansas but grew up in West Palm Beach, Florida. I moved to Tallahassee to go to FSU where I earned a Master's Degree in Early Childhood Special Education and a minor in Child Psychology. I am certified in Elementary Education, Early Childhood Education, and Exceptional Student Education.

I have two amazing boys! Tyler is 25 and an Army Reservist serving as a radiology specialist. He loves music and just completed an AS degree at Valencia in Sound Engineering. He is currently working at a credit union while taking some classes at TSC, hoping to go to Engineering School at FSU next year. Gavin is 21 and a new daddy, which means I am a grandma (NeeNee)! He works at Red Elephant and is in the school of business (virtually) at University of West Florida. He enjoys basketball, video games, and he is a whiz in history and geography! I also have a four year old Great Dane named Lucy and a Beagle/Hound mix named Buford.
