Board blank? - Share your display set up

The short cut:

press the windows key and "p" at the same time.

The windows key is generally located on the bottom row of keys and looks like the Microsoft Windows logo. You will have a menu pop up.

Click on duplicate

Going through settings:

Click on start menu -> Settings -> System

Settings

		Windows Setting:	
		Find a setting	
	System Display, sound, notifications, power		Devices Bluetooth, printers, mouse
	Network & Internet Wi-Fi, airplane mode, VPN	Ą	Personalization Background, lock screen, cc
8	Accounts Your accounts, email, sync, work, other people	伯 A字	Time & Language Speech, region, date
Ģ	Ease of Access Narrator, magnifier, high contrast	Q	Search Find my files, permissions
3	Update & Security Windows Update, recovery, backup		
モー・ P Type here to	o search	Hi 📻	🗐 💁 🧿 🕯

It will open to Display settings. Scroll down to Multiple displays, click on dropbox under Multiple Displays, then click duplicate to share your screen. You should now see your display on board.
