Accelerated READER

AR is our Reading Incentive program that helps to encourage independent reading and helps foster reading comprehension.

Goals and reading levels are given at the beginning of each 9 weeks. It is the student's responsibility to track their independent goals and pace their reading to achieve them. Parents are able to monitor their child's progress by visiting their Renaissance account through Classlink. Students are encouraged to read at least 20 minutes night.

There will be an A.R. celebration each 9 weeks for those students who reach their goals.

parent teacher CONFERENCES

Parent teacher conferences will begin soon. Look for an email in the upcoming weeks, to sign up for a time to discuss your child's progress.

Conferences will be conducted on Zoom.
