

GES Special Area Team 2018-19

Students attend a Special Area class every school day for 45 minutes on a eight day rotation.

1301 Timberlane Road, Tallahassee, FL 32312 850-487-4310 <http://www.leonschools.net/gilchrist>

Physical Education The students will participate in a number of physical activities including loco-motor skills, fitness testing, and nutrition to meet the *Florida Standards*. Students will also participate in our school Field Day this fall.

Coach Drake
drakef@leonschools.net

Coach Causey
causeyn@leonschools.net

Art The art program gives your child an opportunity to relate to his world in visual terms. By studying art history, art criticism, art production, and aesthetics, your child can better appreciate the work of other artists and become more confident in his own artwork.

Ms. Mendenhall
mendenhallv@leonschools.net

Music The music program combines the love of sound and music in such a way that children can participate in their own musical education and personal growth. In addition to classroom instruction, students are encouraged to participate in the winter and spring musical programs.

Mrs. Brown
brownwa@leonschools.net

Guidance Classroom guidance lessons focus on such topics as character education, bullying, safety, making healthy lifestyle choices, trustworthiness, cultural awareness, citizenship, civic awareness, career awareness, problem-solving and decision making.

Ms. Wyatt (K,1, 2)
wyattr@leonschools.net

Mrs. Steverson (3,4,5)
steversonb@leonschools.net

Media The media curriculum is based on *AASL Standards for the 21st Century* and the *Florida Standards*. Younger students enjoy story time and related extension activities. Older students learn research and library skills.

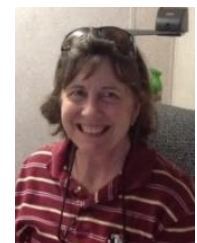

Mrs. Cashin
cashinc@leonschools.net

Ms. Gibson
gibsonm@leonschools.net

Health Students will learn how physical activity and nutrition are beneficial. Mental and emotional health and internet safety will also be discussed.

Coach Chapman
chapmanm@leonschools

Please feel free to contact any of our Special Area teachers at the e-mails indicated or through the front office at 487-4310.
