Meet Mrs. Crane

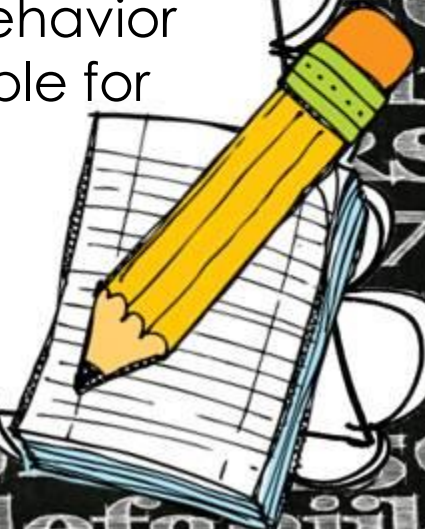

Classroom EXPECTATIONS

Students are expected to follow the KLES school rules.

**Keep Learning Every Second by being:
Respectful, Responsible, Ready to Learn**

Behavior & Work/Study are coded daily if need be.
Please review and sign for Monday each week.

This is to help you and your child be aware of areas they need more growth in and be able to monitor behavior choices. This will help them to become responsible for their actions at school.

Transportation

Transportation changes: If there are ANY changes in your child's daily transportation please send a physical note or email your homeroom and CC Madison Wyant (wyantm@leonschools.net) in the front office.

Or you may call the school by 2:30 and the front office will contact us!

Any email or voice mail received the day of the change may not be seen/heard in time.

If you haven't received a response from us, we haven't heard or seen your email and you'll need to call the office.

Snack

We have a class snack time daily. Please send in a healthy snack that will keep their energy up. Students may also bring a water bottle to class daily.

STUDENT ORGANIZATION

It is very important for your child to stay organized in 4th grade. We use a binder system for papers home and colored folders in the classroom:

Binder: Papers Home/Homework/Planner

Red: Science/Social Studies

BLUE: Math

GREEN: Language Arts

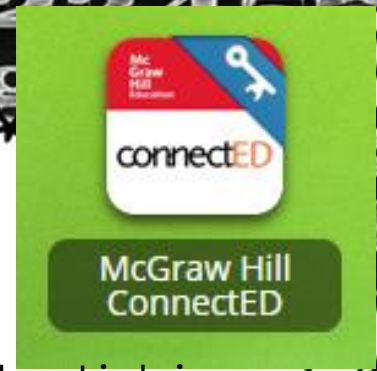

CANVAS

Canvas can be accessed on Classlink.
This is where all students will go to access
“Week at a Glance” for daily assignments.

Wonders

Reading Curriculum

Day 1 Introduce Vocabulary, Shared Read (*homework night*)

Day 2 Vocabulary Review, Intro reading skills/strategies

Day 3 Begin Selection Story, work in reading skills

Day 4 Finish Selection Story, Foldable (*homework night*)

Day 5 Vocabulary Game, Review Skills and Strategies

Day 6 Selection Quiz

Day 7 Wonders Test

Open book Selection Quiz each week based on Close Reading selection.

Assessments are given as “Wonders Tests,” this will be a new story to be read and interpreted independently.

ACCELERATED READER

AR is used to encourage independent reading. Individualized student goals are set each grading period. We will have a celebration each grading period for those that reach their goals.

AR tests can be taken in class when work is done or in the Media Center prior to the morning bell.

Go Math

Math Curriculum

Critical Areas:

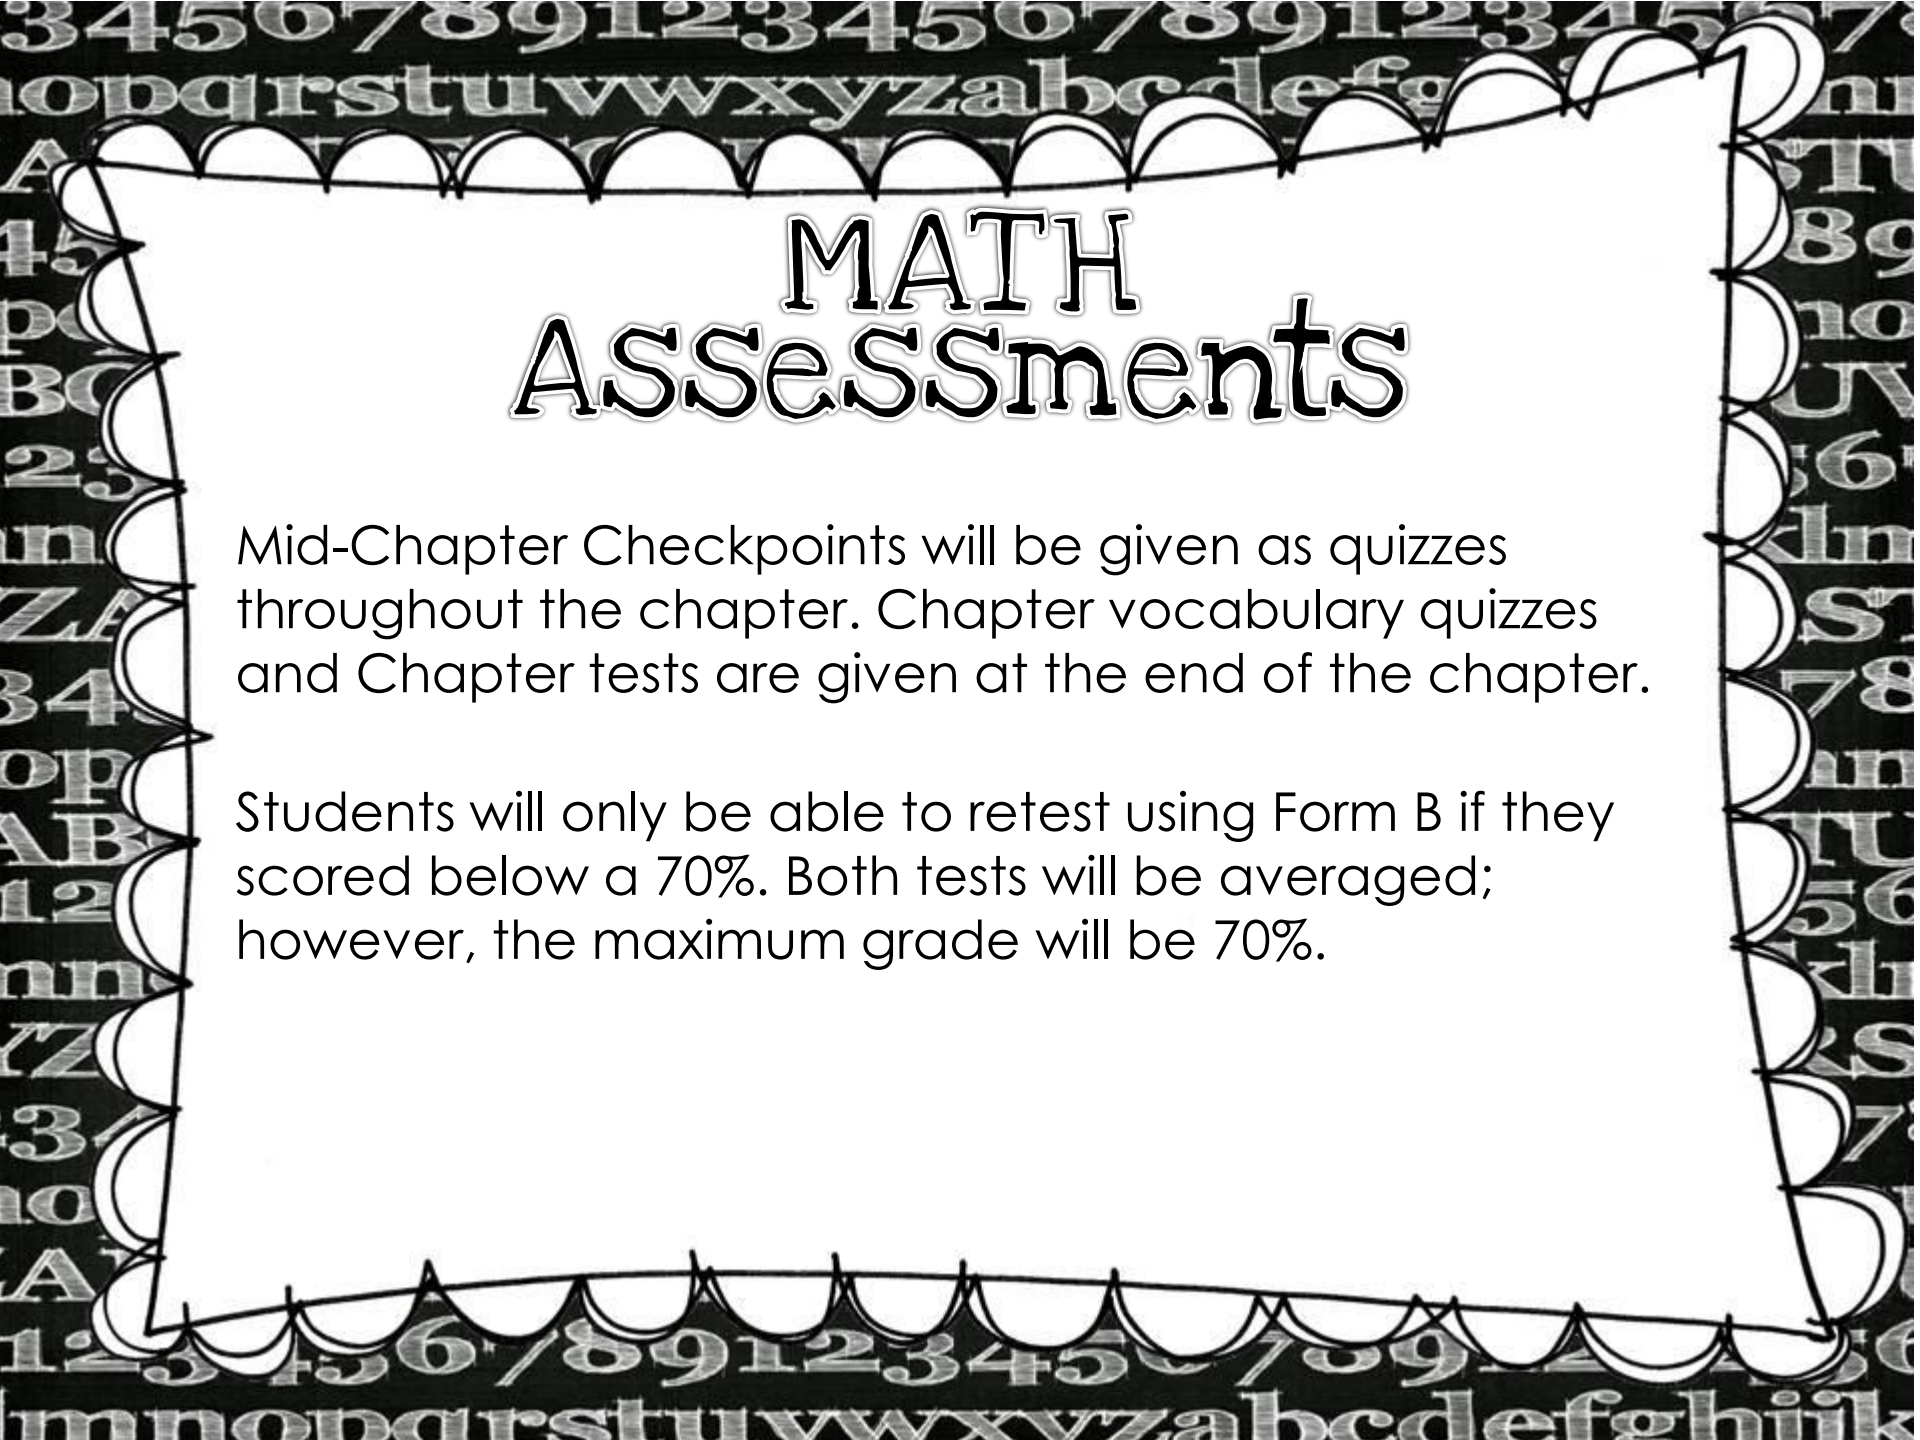

Place Value and Operations with Whole Numbers

Fractions and Decimals

Geometry, Measurement, and Data

Check CANVAS for “Math Review Videos” to help review lessons taught in class.

Students receive a math homework packet every Monday, and will have a full week to complete.

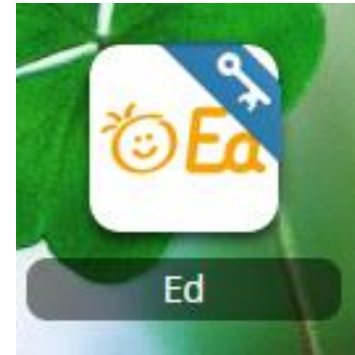

A decorative border surrounds the central text. It features a repeating pattern of numbers (0-9) and lowercase letters (a-z) in a serif font, arranged in rows. The border is framed by a black line with a series of white, semi-circular scalloped shapes along its inner edge.

MATH Assessments

Mid-Chapter Checkpoints will be given as quizzes throughout the chapter. Chapter vocabulary quizzes and Chapter tests are given at the end of the chapter.

Students will only be able to retest using Form B if they scored below a 70%. Both tests will be averaged; however, the maximum grade will be 70%.
