

# 2<sup>nd</sup> Grade, Mrs. Hall - Week 1

## Math & iReady!

Dear sweet families,

During Week 1 and 2, your child will complete Unit 10: Data, practice math fluency in XtraMath, and continue to work on iReady! Reading and Math.

I encourage you to keep the Read for 20-minutes and will let you choose whether to complete the two daily worksheets provided by the district for each day. (Review is always good!)

Everything you will need is in ClassLink. ClassLink may be found on the Hawks Rise Homepage at the top right. It is a blue cloud icon.

Your child's Username :

Your Child's [171#@edu.leonschools.net](mailto:171#@edu.leonschools.net) or [18000#@edu.leonschools.net](mailto:18000#@edu.leonschools.net)

And your child's Password:

Your Child's Lunch PIN (5-digits)

I am giving each family a choice of whether to work as we do in the classroom with a mix of computer and paper OR just digitally in GoMath when possible.
