A LITTLE ABOUT ME

My name is Andrea Reinfeld. I am excited to be your child's third grade teacher this year. My husband, Scott, and I have been married for 10 years and have 1 child. Kyler will be in VPK at Hawks Rise this year too! I grew up in Jacksonville, Florida, and moved to Tallahassee after I got married.

I have a degree in elementary education from Florida State University. This will be my 15th year teaching, and my 11th year at Hawks Rise. I have taught 3rd grade and 4th grade. I can't wait to begin the best year yet!
