

Leon High School | PTO Membership and Volunteer Form

Leon High School is a student-centered learning community with an honored tradition of academic and extracurricular excellence. The **Leon High School PTO** (Parent Teacher Organization) offers parents / guardians opportunities to connect with our school community, support our children and continue to advance this tradition of excellence. The PTO sponsors mentoring programs to help students reach their fullest potential, student recognition events, faculty/staff appreciation, and more.

There are three easy ways to get involved:

1. **Become a Member!** The PTO counts on **membership contributions to support our programs**. We do not sponsor any fundraising events, so that we do not compete with other Leon High School fundraising activities. There are two ways to become a PTO family. (1) Complete the form below and return it with your check or money order – made payable to Leon High School, noting “PTO” on the memo line – to any teacher or to the Main Office. (2) You can use the E-Funds website <https://payments.efundsforschools.com/v3/districts/56392>. You will need to enter your student’s last name and Student ID number if you do not already have a Fee payment account with Leon County Schools.

There are no membership levels – contribute what you can. Every dollar is appreciated and important! Contributions are tax deductible.

2. **Volunteer your TIME.** No matter how you choose to volunteer, you are making a difference.

Important reminders for all volunteers!

- To volunteer *in any way* – with PTO, athletics, Performing Arts, or other school activities – you *must* first register online at <https://volunteers.leonschools.net/Volunteers>. Volunteer registration expires each year, so you must register again this year, even if you have registered in another school year..
- Our school receives recognition for volunteer service, so please keep track of your volunteer time. Anything you do that benefits the school community from booster club to baking cookies counts. You will be asked to periodically report your volunteer hours.

Not sure how to volunteer? Return the form below, and the PTO will connect you with volunteer opportunities that fit your time and talents.

3. **Sign-up for LISTSERV.** List Serv provides real-time school news, via email, directly from our principal, Michael Bryan. To sign-up, visit the Leon High School website (www.leonschools.net/leon) on the homepage and also under Parents & Students, and click on List Serv. Follow the instructions on the screen to complete the List Serv registration.

Please stay informed, get involved, reach out with your questions, and share your ideas. We look forward to getting to know you and your family this year. Feel free to email or reach out on social media with any questions.
