Wonders Reading News

We are at the end of Unit 3 and will have a cumulative test this week on the skills learned. It will include main topic, details of a story, grammar concepts, word blends, and capitalization and punctuation of sentences.

We will not have a Spelling Test the week of Feb 4-8. Instead, we will be having a Sight Word Quiz for all of the sight words included in Unit 3. See the back of this newsletter for more information.

Go Math! News

We are finishing up **Chapter 6: Counting and Modeling Numbers to 120**. Please continue to practice writing numbers and counting by 10's from various numbers. Also make sure your child can identify how many tens and ones make up a number.

In **Chapter 7: Compare Numbers**, the students will compare numbers by looking at the tens and ones. We will be using the terms: *is greater than*, *is less than*, and *is equal to* as well as the symbols >, <, and = to compare numbers. We will also be using word problems to compare numbers.
