Following reassignment, students must maintain good behavior and good attendance to continue at their new school. Otherwise, consistent with School Board Policy 5120, they will be returned to their home-zoned school. Unless otherwise stated, transportation shall be provided by the parent/guardian.

Parents/Guardians of current 5th and 8th-grade students (even if your student has received School Choice) must submit their current residence address by completing the form in your parent portal before you can accept your school choice option. This information can be uploaded in your portal.

Students must be in attendance on the first day of the new school year. Not doing so may result in the cancellation of the school choice and your student will be withdrawn to your home-zoned school. Parents may elect to cancel their school choice online on or before June 1st, 2025. After this date, parents must contact the School Choice Office to decline. Your child will then be enrolled in their home-zoned school.
