DR. MICHAEL R. MOORE

Dr. Michael R. Moore began his service to the children and parents of Leon County on July 8, 2007 as the Assistant Director of the Leon County Schools Transportation Department. In November 2007, he was promoted to the Director of Leon County Schools Transportation Dept.

Dr. Moore has worked tirelessly to improve the Transportation Department and all it stands for. He has helped so many throughout his journey, and for that, we are truly grateful. Dr. Moore will become the Director of the LCS Property Management Office, which is only a couple minutes away. We'll be sure to stop by and check in!!!

We love you and you will be greatly missed!

Love you,
LCS Transportation Dept. Staff

Thank you for providing an opportunity to me when others would not, and for having faith and entrusting in my abilities to lead. I appreciate your feedback and guidance, and you will be missed.

James E. Cole, Jr.
