Training for Long-Term Substitutes

- Using Canvas

- Providing Accommodations

- Using Technology to Meet the Needs of All Learners

How to use the Canvas Learning Management System (LMS)

- In your introductory sub training, you learned about the look of the Canvas platform and how to monitor students working independently in Canvas.

- Now, you will need to learn how to manipulate Canvas to enter course materials and information for student access.

- Please watch the training video for this skill here: https://youtu.be/XpySgc7GPfI

Providing Student Accommodations

- Some students will receive specific accommodations to assist them in their learning.

- To learn ways to provide accommodations using technology as well as to be briefed on what is required for giving accommodations, please review the video here: https://youtu.be/VfMkirHUecg
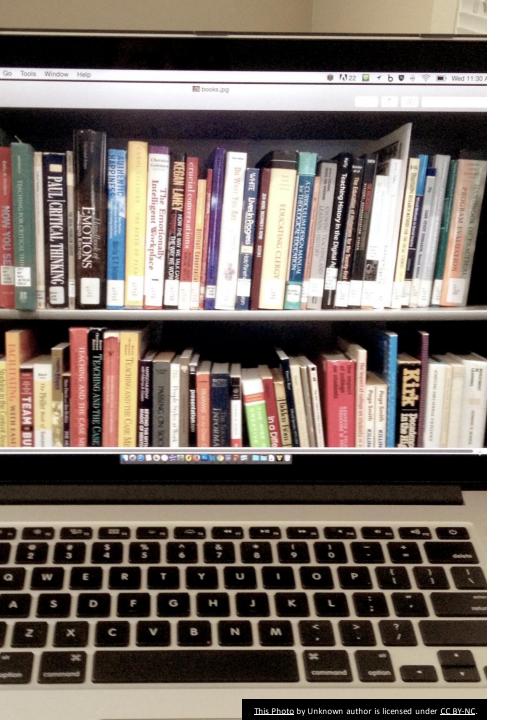

Using Technology to Meet Learning Needs

- Instructing with technology is a useful tool for any teacher.

- Please review the presentation on adaptability and use of technology here: https://youtu.be/AuvtbXjfK58?list=PLFox-GHF4aE-K1oQutzdYIDCXxgRCunN_

Managing Course Content

Some LCS Courses have pre-loaded content within Canvas from FLVS.

- To learn about managing these courses, review the presentation here: https://youtu.be/k3nSsEBjLAc?list=PLFox-GHF4aE-K1oQutzdYlDCXxgRCunN

- To learn how to manage courses that have not been pre-loaded with content, review the presentation here: https://youtu.be/qvuTGa9145c?list=PLFox-GHF4aE-K1oQutzdYlDCXxgRCunN
