## TEC Fund Planning

*Are you looking for...*

*Forms for PD-related travel?*

- Look at the [finance website for travel](#).

*The most updated cost for substitute teacher budgeting?*

- Finance currently suggests budget \$135 per day.

*Site TEC Plan forms?*

- Check out the documents housed on the PLA website or in the MS Teams PLA group.

*The most updated cost for stipends related to training and training facilitation?*

- The current rates, according to contract, are \$20 per hour for participation (budget \$22) and \$28 per hour for facilitation (budget \$30).

*Planning and budgeting forms will look the same as in previous years and will require:*

- A statement of SIP goals for professional learning
- A list of activities TEC funds will support
- An itemized budget detailing how funds will be spent
- A signature indicating the obligation to have in-service records matching budget.

**Professional Learning is a sustained continuum of experiences that focus on active learning, collaborative processes, deliberate planning, and modeling of practices to increase student achievement.**
