

Summer 2023 LCS Professional Learning Events

The following professional learning events are being offered by LCS this summer to meet needs expressed by teachers in the Spring 2023 Professional Learning Needs Survey. You will be able to register for courses in LEADS a few days after the announcement of courses to ensure equitable access to seats at various events. As we receive updates we will add them to this document, so check the LCS Professional Learning Homepage regularly for additions!

<https://www.leonschools.net/Domain/62>

Paid Professional Learning Events

Note: These events are paid at the currently negotiated contracted hourly wage for teachers. Charter school teachers are welcome to attend and participate, but MAY NOT BE ELIGIBLE FOR STIPENDS as these events are paid from ESSER/CARES grant funding.

Event Name	Registration Information	Date/Time/Locations	Notes

ESE Summer Institute	Leon LEADS Course #26373	<ul style="list-style-type: none">• July 31 and August 1, Section 325522 (8:30AM-4PM) on the Lively Campus	<p>Participants will work through a series of training sessions over two days.</p> <p>One day will be an in-depth session based on the Council for Exceptional Children Para-Professional training. This will cover the roles of the para vs. the teacher</p>

			<p>and instructional strategies for ESE classrooms.</p> <p>The second day will be two sessions. One on Self & Match: The Self & Match System is a self-monitoring intervention and motivational system that is firmly grounded in principles of Applied Behavior Analysis. It is a valuable tool that can be implemented with an individual student, class-wide, or as part of a School-Wide Positive Behavior Intervention & Support program. This manual provides educators a foundation for developing an individualized systematic self-monitoring intervention, as well as providing numerous reproducible forms for immediate use.</p> <p>The second session of day two will be a presentation from the Florida Access Project on modifying lessons for students on Access Points.</p>
