

Mrs. Hendrick's Weekly News

May 25, 2020

We Are Learning About...

This is our last Weekly News for Kindergarten 2019-20. I have enjoyed teaching this amazing group of little ones and I hope the learning, joy and fun from the first $\frac{3}{4}$ of the school year will be remembered. The last $\frac{1}{4}$ of the year was very different, to say the least! Such wonderful families kept up with the lessons, assignments, technology with amazing grace. Thank you all for allowing me to be a part of your children's lives. I miss them and love them all!
