Roberts Mission: Summer Reading

We want to keep our Red Foxes reading over the summer, so we are sending them on **Mission: Summer Reading!** Please use the attached Mission Log sheet to do the following:

- Color in a STAR on the border of the page for every book your child reads or you read together!
- Check off as many fun Space-themed activities as you can!

Bring it to the Media Center at Orientation for a treat! There will be extras in the front office if you fill your Mission Log!
