

# Meet the TEACHER hi

I'm super excited to be your child's teacher this year in Third Grade! This is my 18th year of teaching. I grew up on the Space Coast, watching all the Space Shuttle launches on top of our roof. I went on to graduate from the University of Central

Florida. I'm proud to be dually certified with my Elementary Education Certification, as well as my Exceptional Student Education (ESE) Certification. I also became a National Board-Certified teacher. I have taught every grade between Kindergarten and Sixth Grade, but Third Grade is by far my favorite!

My husband and I moved to Tallahassee in 2019, when my husband retired from the military to be closer with our older sons, Cole and Owen. Our younger son, Joshua, is in Fifth Grade here at KLES!

In my spare time you can find me hanging out with our 7 chickens! I also enjoy gardening, DIY projects, cooking/baking, reading, and of course traveling.

I'm looking forward to a fantastic year getting to know all of you!
