

Hi, everyone! My name is Rebekah Williams and I am so excited to be joining Mrs. Williams in the third grade classroom this year. I moved to Tallahassee in 2019 from Pensacola, Florida when my husband began grad school. I graduated in 2017 from Pensacola State College with a degree in Early Childhood Education. This is my third year working at Killlearn Lakes Elementary and I am looking forward to the rest of this school year. In my free time I enjoy traveling, being outdoors and spending time with friends and family.
