All students are required to bring their planner to each class daily. Students will be given a planner during the first week of school; replacement planners can be purchased for a cost of \$5 from the Front Office. Teachers will provide students information on what needs to be brought to class daily. The lists below are guidelines to be used for purchasing.

Please note that this is a generic supply list. If a student will need any additional supplies for a specific class, it will be noted on the syllabus given out the first week of school.

When should I bring my supplies? It is NOT necessary to bring all of your school supplies with you during the first week of school. During the first week of school have your child bring only the basics: a binder with paper, pens and pencils is sufficient unless otherwise instructed by their teachers.

Will I need additional supplies? Some additional supplies might be required by specific classes and/or teachers, such as electives.

Can I wear a backpack? Due to our renovations, backpacks may be carried on a student's back. Backpacks may not be rolled in the halls (as these are a tripping hazard). Backpacks and its contents are the responsibility of the student.

What do I need to wear for Physical Education? Students enrolled in P.E. are required to dress out daily in their P.E. uniforms. The uniforms consist of a pair of gym shorts and a specific t-shirt; information about the uniform will be sent home to P.E. students on the first day of school.
