

Watch these short videos and listen to the songs.

The Planet Song For Kids - <https://safeYouTube.net/w/bSYgb>

Outer Space: "We are the Planets," The Solar System Song by StoryBots | Netflix Jr
<https://safeYouTube.net/w/CUYgb>

Extension Activities:

- Research the planets or a specific planet. Share some facts that you learned with a family member.
- Write your own song, rap, or poem about the planets
- Design your own planet - What are some facts about the planet? Make a small poster with a drawing or painting of your planet, or build one out of play dough.
- Go to <https://www.getepic.com> and type in outer space to find fiction and non-fiction books to read about space. There are also some videos available.
 - For fiction books - Retell the story in your own words. What happened at the beginning, middle, and end? What were the most important events in this story? Would you like to live where the story takes place? Explain why, or why not.
 - For nonfiction books - What was the author's purpose for writing the text? Do you have an unanswered question after reading this text? If so, research it to find your answer. Which fact in the text did you find most interesting? What new facts did you learn?
- Write a short fictional story about space.
