

What do space and food have to do with each other? **Lots!**

Check out these cool NASA web sites and discover how to bring space science into your kitchen!

For family fun in the kitchen with 4th and 5th graders, visit:

<https://spaceplace.nasa.gov/asteroid-potatoes/en/>

<https://spaceplace.nasa.gov/gumdrops/en/>

For cool cooking activities with your 2nd and 3rd graders, visit:

<https://spaceplace.nasa.gov/search/oreo/>

<https://spaceplace.nasa.gov/sunspot-cookies/en/>

Learning never stops for your K and 1st graders, visit:

<https://spaceplace.nasa.gov/universe-slime/en/>

<https://spaceplace.nasa.gov/moon-cookies/en/>
