Welcome to Pre-K!

My name is Madelyn Martin, and I will be your child's Pre-K teacher this year at Kate Sullivan Elementary!

I have my undergraduate degree of Early Childhood Education from the Florida State University, and this will be my fourth year teaching.

I am so very excited for the opportunity to learn from your child and be able to teach them new things. We will be learning about shapes, colors, and numbers! We will also be learning about how to share, how to handle our emotions, and how to be the best humans we can be.

I will be sending home a weekly newsletter on Fridays via email and a printed copy will go home in your child's Croc Folder. All our wonderful weekly artwork will also come home on Fridays.

If you need to contact me, you may email me at martinm4@leonschools.net or call our school at (850) 487 - 1216.

During the day, we have many different opportunities to learn and grow.

We also *love* to move, shake, groove, create, imagine, and most importantly:

Play.

Class Commitments

In the Pre-K classroom, we are a family. As a part of the class family, we have three class commitments that we follow.

We take care of ourselves.

This means we are careful when we play, we are kind to ourselves, and we help take care of our own needs, both physically and emotionally.

We take care of each other.

We help our friends. We speak kindly to them, we work cooperatively, and we make sure our actions are kind to one another.

We take care of this place.

When we are at school, we help take care of our shared belongings. We help take care of our books, toys, and games so that we can play over and over.

Learning In Pre-K
