

September 15th, 2020

Dear WT Moore Student,

Membership in the National Elementary Honor Society (NEHS) is one of the highest honors awarded to our students. Our chapter of NEHS has worked hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and the community. Our chapter, along with other chapters in schools across the nation, strives to give practical meaning to the Society's standards of scholarship, responsibility, service, and leadership.

Membership, however, is more than an honor. Membership brings a new responsibility to continue to demonstrate those outstanding qualities that resulted in a student's membership. Your membership will carry a responsibility to the chapter to which you will belong. If our chapter of the National Elementary Honor Society is to be effective and meaningful, each member must become involved. We will challenge you to live up to your obligations by participating in all of our chapter meetings and projects. (Monthly meetings will be held via zoom). Both Digital Academy and Brick and Mortar students are eligible to become a member of the NEHS.

Our Induction Ceremony this year will be held virtually early in the month of November. More information to follow at a later date. You will be notified of the results of our selections no later than October 2<sup>nd</sup> if you have submitted the attached forms. If you were a member last year, you do not have to fill out the service portion of the attached form, but still need to complete the contact information so I can add you to this year's NEHS distribution list and my Remind.

To continue the selection process for becoming a member of NEHS, you and your parents need to complete the attached form and return it to the Chapter Adviser, Mrs. Rowe by the deadline, September 25th, 2020 by dropping it off in Mrs. Rowe's classroom or sending via email.

We look forward to your continued success if selected as a member of our school's chapter of the National Elementary Honor Society.

Sincerely,  
Mrs. Teresa Rowe  
NEHS Adviser
