Meet the Coaches

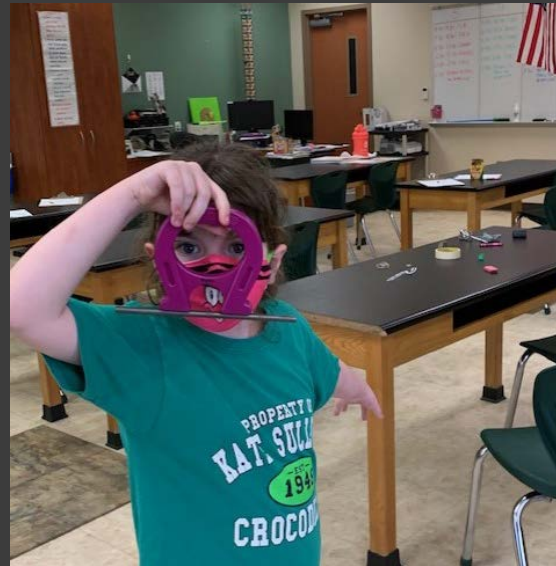

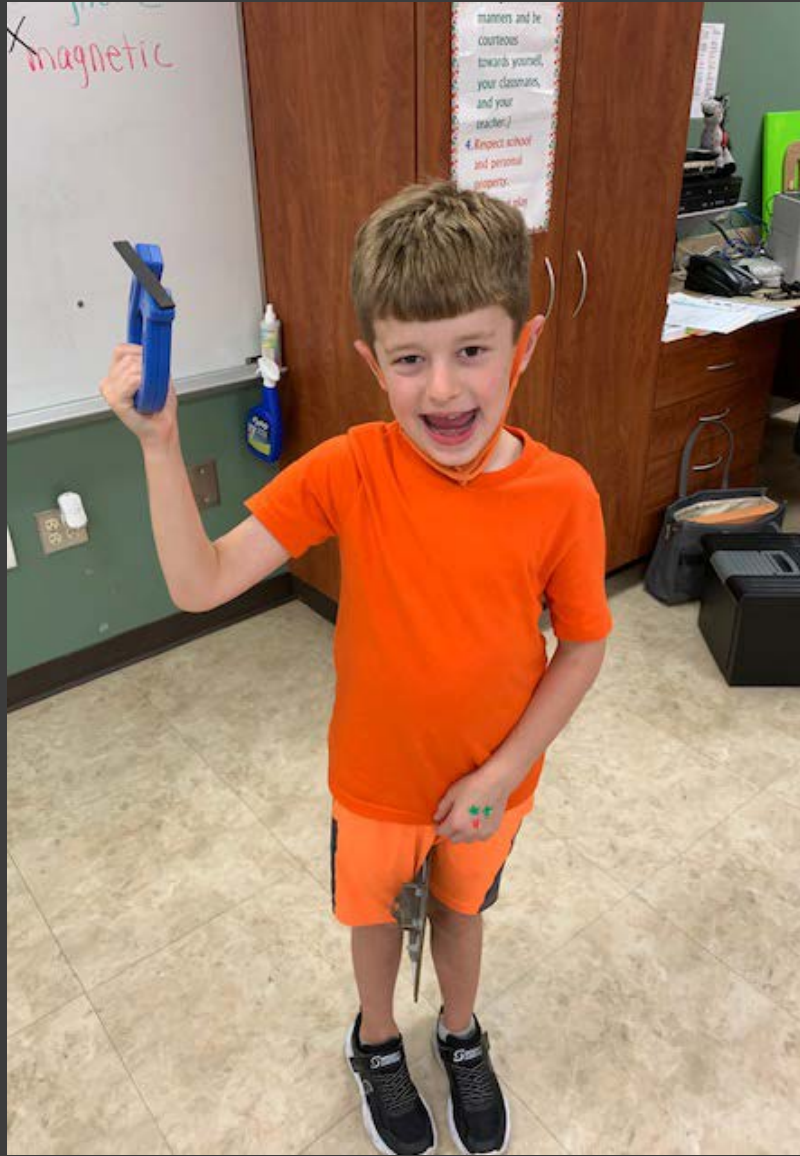

We are excited for the 2021-2022 school year! As academic support, we provide professional development for teachers and work alongside teachers to perfect their craft. We will also be working with some students to ensure they meet their full potential. We can't wait to color the year awesome with our Crocodile Family!

Mrs. Moore
Reading Coach

Talented and Gifted

Our "TAG" program is a pull-out class that serves our gifted and high achieving students beyond the regular classroom. We provide enrichment curriculum and activities to keep our learners challenged and motivated.

If you believe your child would be a good fit for TAG, please contact Mrs. Owen at owenc2@leonschools.net
