The Board is not liable for Contractor's anticipated profits.

A. Termination for Convenience

The Contract may be terminated by the District upon no less than 30 calendar days' notice and by the Contractor upon no less than 60 calendar days' notice, without cause, unless a lesser time is mutually agreed upon by both parties.

B. Termination for Cause

Performance issues will be handled per Section 2.7 of the RFP. In the event the Contractor's performance issues are not remedied or are so egregious as to cause damage to life, safety, or property, the District may terminate the Contract upon 24 hours' written notice to the Contractor.

C. Termination for Unauthorized Employment

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of the Contract.

D. Termination for Lack of Funds

In the event the funds to finance this Contract become unavailable, the District may terminate the Contract upon no less than 24 hours' notice, in writing, to the Contractor. The District shall be the final authority as to the availability of funds.

E. Contract Termination Requirements

If at any time, the Contract is cancelled, terminated, or otherwise expires, and a Contract is subsequently executed with a contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes but is not limited to, the timely provision of all Contract-related documents, information, and reports not otherwise protected from disclosure by law to the replacing party.

IX. Assignment

The Contractor shall not sell, assign, or transfer its responsibilities or interests under this Contract to another party without prior written approval of the District's Contract Manager or designee. The District shall, at all times, be entitled to assign or transfer its rights, duties, and obligations under this Contract to another governmental agency or special District of the State of Florida upon providing written notice to the Contractor.

X. Subcontracts

The Contractor is fully responsible for all work performed under this Contract. The Contractor may, upon receiving written consent from the District's Contract Manager or designee, enter into a written subcontract(s) for the performance of certain obligations under this Contract. No subcontract shall relieve the Contractor of any responsibility for the performance of its contractual duties. All payments to subcontractors shall be made by the Contractor.

It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under this Contract. All subcontractors are subject to the same background check requirements as are referenced in Exhibit A.

XI. Price Adjustments

Any price decrease effectuated during the Contract period by reason of market change or special sales offered to other customers shall be passed on to the District. This shall also apply to all in-place equipment on a rent or lease plan. Price increases are not accepted unless otherwise stated. All prices are firm and shall be held for the duration of the Contract term. The District may, at its sole discretion, review a request from the Contractor for an equitable adjustment in Contract pricing if pricing or supply availability is affected by extreme or unforeseen conditions in the marketplace outside of the Contractor's control. Requests shall be submitted to the District's Contract Manager along with justification and backup information, as necessary, such as a letter from a manufacturer regarding price increases. The District will consider the request and respond within 30 days. The Contractor shall continue to fill orders at the current Contract pricing until a decision has been made.

XII. Other Conditions

A. Public Records

The Contractor agrees to (a) keep and maintain public records required by the Board to perform the service; (b) upon request from the Board's custodian of public records, provide the Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Board; and (d) upon completion of the Contract, transfer, at no cost to the Board all public records in possession of the Contractor, or keep and maintain public records required by the Board to perform contractual obligations. If the Contractor transfers all public records to the Board upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public record disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, then the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Board, upon request, in a format that is compatible with its information technology systems. The Board may unilaterally terminate the Contract for refusal by any Contractor to allow public access to all documents, papers, letters, or other material made or

received by the Contractor in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Section 119.07(1), F.S. or Section 119.071, F.S. Additionally, the Contractor may be subject to penalties under Section 119.10, F.S.

SECTION 2: Scope of Work

2.1 Background

The District and the School Board are created under Article IX, Section 4, of the Constitution of the State of Florida. The School Board is an independent taxing and reporting authority responsible for the operation, control, and supervision of all free public schools within the school district, subject to the Florida K-20 Education Code, Chapters 1000 – 1013, F.S. The Board consists of five (5) elected officials responsible for, among other things, the adoption of policies that govern the operation of District public schools. The elected Superintendent of Schools is responsible for the administration and management of the schools within the applicable parameters of state laws, State Board of Education Rules, and School Board policies.

The District provides a standard, traditional curriculum to a student body of approximately 31,000 students ranging from pre-kindergarten through the 12th grade. The District also provides adult education at several facilities during regular and non-school hours. In addition to the standard curriculum, the District offers a variety of specialized technical training programs for the higher grade levels.

2.2 Procurement Overview

Through this solicitation, the District is seeking competitive Proposals from experienced, interested, available and qualified firms for the provision of Title I Instructional Services for Private School Students. Participating schools will have a choice of equitable services they would like to implement using their Title I funds for eligible students. Participating schools also have the option of selecting from vendors for the provision of Instructional Services. The scope of work outlined in this RFP establishes the minimum requirements to be provided by the Awarded Contractor(s).

The District anticipates awarding multiple contracts for services as is in the District’s best interest.

2.3 Contract Term

The expected Contract terms and options to renew are:

Description	Time Period
The initial term of the Contract	Three (3) years
Optional Contract Renewal Term(s)	Up to three (3) years, or portions thereof
Maximum term of the Contract	Six (6) years

The term of services is between July 1 to June 30 of the applicable grant project year.

2.4 Scope of Work

Private Schools can engage students eligible for Title I, Part A services in Extended Learning Opportunities. Extended Learning opportunities include tutoring, summer enrichment, , or learning opportunities that occur outside of normal school hours. Services can occur before, during, or after school. Private schools may work with the district to select a 3rd party contractor for tutoring services. A 3rd party contractor can be a company or an individual contracted via the Local Education Agency (LEA) to provide services.

Extended learning includes student tutoring or supplemental instruction that is provided after school, or via push-in or pull-out services not to interrupt or take the place of core instruction during the school day. Instruction can be provided one-on-one or one-on-many as determined in consultation with the school and LEA. This RFP serves the purpose of providing a Contractor list for schools to select from.

2.4.1 Contractor Responsibilities

- a. The Contractor shall provide services to eligible students in participating private schools to ensure the equitable provision of instructional services as described in the Service Delivery Plan developed by the District in consultation with the private school.
- b. The Contractor shall support the improvement of academic achievement of eligible students in the Title I, Part A Program. Students with the highest needs are required to be prioritized.
- c. The Contractor shall provide instruction in alignment to the Service Delivery Plan for the school. Ideally, each tutoring or instructional session should be a minimum of 30 minutes. Sessions should be designed to be provided for a sustained period of time so the student can benefit from the greatest impact of services. Once a student starts to receive services, termination of services would be due to the student meeting the academic target, parent removal from the service, the student's transition to another school, or school decision with LEA notification.
- d. The Contractor shall develop an instructional learning plan for each student. This learning plan would be preceded with a pre-test, formative assessments, and a post test. Tutoring under this Title is sustained and not "drop-in" or "one-time" services for students. The services would be for an amount of time as outlined in the Service Delivery Plan for achievement of academic targets.
- e. The Contractor shall provide supplemental instructional services in reading/language arts, math, science, and the social sciences.
- f. The Contractor shall ensure services are provided to the school in alignment to the agreed-on schedule without interruption. The Contractor will be responsible for providing substitutes in the event their employees are not available to provide services. The Contractor will be responsible for notifying the school and LEA in the event of an emergency that services are not able to be provided. Notification shall be timely, so the school has the flexibility to contact parents, arrange transportation, and/or arrange replacement support in the event the Contractor is not able to fulfill the service obligation.
- g. The School will implement Parent and Family Engagement activities and the Contractor will provide input for parent sessions to the school. Parents will be engaged in an overview parent meeting, so they understand the aspects of the program and additional parent and family engagement activities that are decided on in consultation. The allocation for parent and family engagement shall be no less than 1% of each school's equitable share.

- h. The Contractor agrees to maintain control of all students in the program and ensure a physically safe environment from the time students arrive, and are dismissed by the school official, or the parent/guardian. If the services are provided virtually, the school administrator will work in collaboration with the vendor to ensure control of students and online safety in accordance to school, state, and federal guidelines.
- i. The Contractor shall be paid for instructional time with students. Student attendance is mandatory for compensation.
- j. The Contractor will be provided with up to 5 hours per month for documented time connecting extended student services to instructional practices at the school.
- k. The Contractor will provide the certification, licensure, or qualifications of all employees in the form of a resume to the LEA.

2.4.2 Services Facilitated by the School

If services are provided by private school teachers/employees of the school, services are required to be provided outside of school hours when the employee is not being compensated by the school. Full-time employees are not permitted to provide push-in services during regular school operating hours.

2.4.3 Student Instruction

- a. The term of services is between July 1 to June 30 of the applicable grant project year.
- b. The Contractor shall provide services between 7 a.m. – 6 p.m. on the weekdays. Services can be provided on Saturdays if agreed on during the development of the Service Delivery Plan. LEA Pre-approval and Service Delivery Plan alignment is required for services to be provided outside of this timeframe.
- c. Tutoring services can be delivered virtually, blended, or face-to-face.
- d. Students are not permitted to be pulled out of core subject areas.
- e. Administrative supervision is required for services. Supervision is expected face-to-face or virtually.

2.4.4 Monitoring

- a. All students shall complete a pre-test and post-test.
- b. Test results shall be submitted to the Title I department within thirty (30) days of identification and post-test results will be provided at the end of the school year or within thirty (30) days of the student's completion of the program, whichever comes first. The assessment instrument is required to be reliable and valid for the grade levels in which it is being used.
- c. After the commencement of services, the Contractor shall monitor student progress and provide monthly updates to the private school and LEA reflecting the performance of each student.
- d. The District Title I Office shall monitor the implementation of services by visiting each eligible school site as needed to verify services have occurred and are on-going as stated in this contract for participating eligible students.

2.4.5 Student Records

The Contractor shall keep reports/documentation on file for a five-year period following the close of any fiscal year. All files are required to meet FERPA requirements. Such reports/documentation will become the property of the District Title I office upon conclusion of the contract.

2.4.6 Supporting Documentation

The Contractor or service provider shall submit itemized invoices to the District Title I office by the 15th of each month for the services provided during the preceding calendar month showing the following fees: Instructional, Administrative, Parental Engagement, and Staff Development. Staff development costs are not associated with services initiated by the school. Services should end by June 1st with the final invoice being submitted June 15th of the grant project year.

- a. Administrative Costs are allowable and documentation supporting the administration of the program is required. If a school is securing services through the LEA, an administrative cost will not be applied.
- b. The Contractor shall provide the District Title I office with supporting documentation with each invoice. The supporting documentation shall include:
 - i. Staff member attendance rosters with principal's signature
 - ii. Student attendance records
 - iii. Class roster of eligible students
 - iv. Individual student portfolio (one piece monthly)
 - v. Teacher/Tutor Schedule
 - vi. Teacher/Tutor instructional plans (daily, weekly, or monthly)
 - vii. Student folders
 - viii. Student progress reports
 - ix. Pre-test
 - x. Post-test
 - xi. Documentation of any parent conferences, meetings, or trainings
 - xii. Instructional Plans for each student
 - xiii. Documentation of teacher professional development and meetings with school staff as applicable
- c. Parent Family Engagement activities must be submitted no later than 15 days after the activity is held. Activities are required to be reasonable, allowable, and necessary. Documentation includes parent advertisements, parent sign-in sheets, sample instructional materials, and participant evaluation forms.

2.4.7 Program Evaluation

- a. The Contractor will be required to administer and document pre and post test scores documenting the effectiveness of the supplemental instruction. The instrument used for the pre, and post-test must be approved by the district prior to testing.
- b. Parent and Family Engagement events shall include a parent evaluation component. The LEA can provide a survey template for parents and families as needed.
- c. The Contractor or service provider will be required to provide a comprehensive End-of-Year Program Evaluation Report. This report will include a comprehensive program review with aggregated data for the school site, aggregated data for each grade level, and disaggregated data for each student.

The evaluation report will also include an overview of Parent and Family Engagement. This is due by June 30th and is a requirement with the final payment request.

2.4.8 Related Services

When the District requires related instructional services for private school students that are not a part of the Scope of Services herein, the District may, at its sole discretion, elect to negotiate with the contractor to procure those services from the contractor in accordance with this contract or may elect to procure elsewhere. If the District elects to procure the service(s) from the contractor, a separate purchase order(s) will be issued, if required.

Additionally, the District may elect to negotiate with awarded contractors to procure any tutoring services in accordance with this contract.

2.5 Cost of Services

2.5.1 Instructional Services

Instructional services cost is the hourly rate proposed. The hourly rate may be reduced to quarterly hour increments based on submission of actual timesheets.

2.5.2 Administrative Cost

Administrative Cost is the single percentage of monthly cost of instructional services. This percentage shall not exceed 10% of the monthly cost of instructional services. Administrative costs must be itemized and include supporting documentation. Administrative shall consist of the instructional services portion of the program. 2.6 Invoice and Payment

The Contractor shall submit monthly invoices by the 15th of the month for work performed the prior month. Invoices should contain sufficient detail for a pre and post-audit.

The District's payment terms are net 30 days from receipt of a properly detailed and accurate invoice.

2.7 Performance Monitoring

The District may utilize any or all of the following methodologies in monitoring the Successful Proposer(s) performance under the Contract and in determining compliance with Contract terms and conditions.

- a. On-site reviews of work performed;
- b. Documentation/review of timely response to work requests;
- c. Documentation/review of timely completion of work as assigned; and
- d. Documentation/review of invoices

The Contract Manager will provide a written monitoring report to the Successful Proposer within 30 days of a monitoring visit. Non-compliance issues identified by the Contract Manager will be described in detail to provide the Successful Proposer(s) the opportunity for correction, where feasible.

Within ten calendar days of receipt of the District's written monitoring report, the Successful Proposer shall provide a formal Corrective Action Plan (CAP) to the Contract Manager (email acceptable) in response to all noted deficiencies to include responsible individuals and required time frames for achieving compliance. Unless specifically agreed upon in writing by the Contract Manager, time frames for

compliance shall not exceed 30 calendar days from the date of receipt of the monitoring report by the Successful Proposer. CAPs that do not contain all the information required shall be rejected by the Contract Manager in writing. The Successful Proposer shall have 15 calendar days from the receipt of such written rejection to submit a revised CAP; this will not increase the required time for achieving compliance. All noted deficiencies shall be corrected within the time frames identified in the CAP or as amended with prior approval of the District. If deficiencies are not corrected within the approved timeframe, the District will impose a financial consequence of \$100 per day until corrected. The Contract Manager may conduct follow-up monitoring at any time to determine compliance based on the submitted CAP.

Any Contractor that has documented non-compliance issues without resolution one or more times may have their contract cancelled due to non-performance. Contract cancellation will be at the sole discretion of the District.

3.3 Proposal Evaluation and Criterion

Failure to respond, provide detailed information, or provide requested Proposal elements will result in the reduction of points in the evaluation process. The District will reject any Proposal containing material deviations from the RFP. The District may waive any minor irregularities and technicalities. If only one responsive Proposal is received, the Team may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C. The evaluation process will be conducted as described below. Evaluation of Proposals will be based on an average of the Evaluation Team Member's points (for sections evaluated by the Team).

- 3.3.1 Responsiveness Determination:** Each Proposal will be reviewed by the District's Purchasing Department to determine if the Proposal meets the mandatory responsiveness criteria as listed in Section 1.4(j) of the RFP. Proposals deemed non-responsive will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a member of the Evaluation Team.
- 3.3.2 Cost Evaluation:** The District's Purchasing Department will review and assign Cost Points based on the formula below:

Cost Component	Cost Points
Instructional Services Hourly Rate	20
Administrative Cost %	10
Total Cost Points Available	30

For Cost Points, the Vendor submitting the lowest Cost will receive the total points available. All other Proposals will receive Cost Points according to the following formula:

$$(N / X) \times \text{Cost Points Available} = Z$$

Where:

N = Lowest Price received by any Proposal

X = Vendor's Proposed Price

Z = Total Cost Points Awarded

- 3.3.3 Evaluation Team:** This step evaluates the strengths of the companies that have responded to the RFP. The Team will score the Proposals using the evaluation criterion below.

Evaluation Criterion	Maximum Assigned Points
CRITERION 1: Business Experience - To what extent does the Vendor’s corporate structure, past performance, and qualifications demonstrate an ability to provide quality educational services? - Financial viability and stability - To what extent does the Vendor demonstrate stability in providing prior contractual services? - To what extent does the Vendor demonstrate the ability to comply with required licensing requirements, including past licensing issues?	Excellent 30 Good 22.5 Fair 15 Poor 7.5 Unsatisfactory 0

CRITERION 5: Cost Points	Points to be assigned per Section 3.3.2

Small Business Certification (Board Policy 6325)	5

3.3.4 Score Computation: All scores will be calculated (sections scored by the Team will be averaged per criterion) and combined for a Grand Total Score. The table below provides scoring guidelines to be used by the District’s Evaluation Team members when allocating points:

Score	Score Description
Excellent	Exceeds expectations for effectiveness and responsiveness to the requirement. “Excellent” is defined as a proposal to a specific criterion that is extensive, detailed, and exceeds all requirements and objectives of the solicitation, with a high probability of meeting the requirements with little or no risk to the School District. “Excellent” also demonstrates a complete understanding of the requirements, with the approach significantly exceeding performance and/or capability standards, has several exceptional strengths, shows no weaknesses, and will require normal contractor effort and project monitoring.
Good	Above minimum performance, effective and responsive to the requirement. “Good” is defined as a proposal that generally exceeds requirements in minor areas; therefore, it has a good probability of meeting the requirements with little risk to the School District. “Good” also demonstrates a good understanding of the requirements, and the approach exceeds the performance or capability standards with one or more strengths that will benefit the School District. Weaknesses will have little potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Normal contract effort and project monitoring will be required to overcome any difficulties.
Fair	Minimally acceptable performance standards and responsive to the requirement. “Fair” is defined as a proposal that generally meets the requirements. “Fair” demonstrates an acceptable understanding of the requirements, and the approach meets the performance or capability standards with no obvious strengths that will benefit the School District. Weaknesses will have the potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Special contractor emphasis and close monitoring will probably minimize any difficulties of risk.
Poor	Responsive to the requirement but below acceptable standards. “Poor” is defined as a proposal that demonstrates a limited understanding of the requirements includes minor omissions, and the approach barely meets the performance or capability standards necessary for minimal contract performance. “Poor” demonstrates a misunderstanding of the requirements that may be corrected or resolved through discussions without a complete revision of the Proposal. Weaknesses can potentially cause some disruption of schedule, increase in cost, and/or degradation of performance even with special contractor emphasis and close project monitoring.
Unsatisfactory	Not responsive to requirements. “Unsatisfactory” is defined as a proposal not meeting the requirements without major revisions and proposes an unacceptable risk. “Unsatisfactory” demonstrates a misunderstanding of the requirements; the approach fails to meet performance or capability standards and contains major omissions and inadequate detail to assure the evaluator that the Proposer understands the requirement.

3.4 Advertising Notice of Board Decision

A Contract will be awarded to the Responsive and Responsible Vendor(s) who receive the highest Final Score, considering price and other requirements as set forth in Section 3.3. The District reserves the right to award one (1) or more Contracts, in whole or in part, for the services sought in this RFP. The District reserves the right to accept or reject any and all offers or separable portions and to waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the best interest of the Board.

As in any competitive solicitation, the Board shall advertise a public notice of Board Decision when the Board has decided on the outcome of the solicitation, including, but not limited to, a decision to award a Contract(s), reject all Proposals, or to cancel/withdraw the RFP.

The Notice of Board Decision will be advertised on or about the date shown in the Timeline and will remain posted for a period of 72 hours (Saturdays, Sundays, and District holidays shall be excluded in the computation of the 72-hour period).

3.5 No Prior Involvement and Conflicts of Interest

Any Proposer who participated through decision, approval, disapproval, recommendation, preparation of any part of the purchase, influenced the content of the solicitation, rendered advice, investigated, audited, or served in any other advisory capacity is ineligible to participate in this solicitation.

Additionally, no Proposer shall compensate in any manner, directly or indirectly, any officer, agent, or employee of the District for any act or service which he/she may do or perform for, or on behalf of, any officer, agent, or employee of the Proposer. No officer, agent, or employee of the District or Board shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Board. The Proposer shall have no interest and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this RFP.

Certification and acceptance of this provision is incorporated in Attachment II, Required Provisions Certification.

3.6 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution very seriously. If the Proposer considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Proposer must also simultaneously provide the District with a separate redacted copy of its Proposal and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Proposer on the cover and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Proposer submits its Proposal to the solicitation and must only exclude or redact those exact portions that are claimed confidential, proprietary, or trade secret. The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure. Further, the Proposer shall protect, defend, and indemnify the District for any and all claims arising from or relating to the Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Proposer fails to submit a Redacted Copy with its Proposal, the District is authorized to produce the entire documents, data, or records submitted by the Proposer in

answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents be liable for disclosing or otherwise failing to protect the confidentiality of information submitted in response to this solicitation.

3.7 Small Business Participation

This RFP, in the evaluation phase, is subject to the small business development provisions specified in Board Policy 6325. If the Proposer is considering using subcontractors, the District highly encourages the use of small business vendors.

3.8 Local Business Preference

This RFP, in the evaluation phase, is subject to the local preference provisions specified in Board Policy 6450. If the Proposer is considering using subcontractors, the District highly encourages the use of local business vendors

SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service that affect the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein.
