The District will not accept any materials markup pricing that is in excess of 10% of the awarded Contractor(s) actual cost for the materials. The markup percentage may not be applied to any amount the vendor pays in sales tax for the materials or equipment. The awarded Contractor(s), upon request, must provide the original invoice showing the Contractor's actual cost for any equipment as provided. Further, the District reserves the right to acquire by its own means any equipment or materials necessary to perform the scope of work of this RFP.

2.7 Invoice and Payment

The Contractor shall submit monthly invoices by the 10th of the month for work performed the prior month. Invoices should contain sufficient detail for a pre and post-audit.

The District's payment terms are net 30 days from receipt of a properly detailed and accurate invoice.

2.8 Performance Monitoring

The District may utilize any or all of the following methodologies in monitoring the Successful Proposer(s) performance under the Contract and in determining compliance with Contract terms and conditions.

- a. On-site reviews of work performed;
- b. Documentation/review of timely response to work requests;
- c. Documentation/review of timely completion of work as assigned; and
- d. Documentation/review of invoices

The Contract Manager will provide a written monitoring report to the Successful Proposer within 30 days of a monitoring visit. Non-compliance issues identified by the Contract Manager will be described in detail to provide the Successful Proposer(s) the opportunity for correction, where feasible.

Within ten calendar days of receipt of the District's written monitoring report, the Successful Proposer shall provide a formal Corrective Action Plan (CAP) to the Contract Manager (email acceptable) in response to all noted deficiencies to include responsible individuals and required time frames for achieving compliance. Unless specifically agreed upon in writing by the Contract Manager, time frames for compliance shall not exceed 30 calendar days from the date of receipt of the monitoring report by the Successful Proposer. CAPs that do not contain all the information required shall be rejected by the Contract Manager in writing. The Successful Proposer shall have 15 calendar days from the receipt of such written rejection to submit a revised CAP; this will not increase the required time for achieving compliance. All noted deficiencies shall be corrected within the time frames identified in the CAP or as amended with prior approval of the District. If deficiencies are not corrected within the approved timeframe, the District will impose a financial consequence of \$100 per day until corrected. The Contract Manager may conduct follow-up monitoring at any time to determine compliance based on the submitted CAP.

Any Contractor that has documented non-compliance issues without resolution one or more times may have their contract cancelled due to non-performance. Contract cancellation will be at the sole discretion of the District.

3.2 Cost Proposal Submittals

Each Proposer shall complete and submit Attachment I, Cost Proposal Form, indicating pricing for services as detailed. The Cost Proposal Form shall NOT be included in the Proposer’s Technical Proposal. The Cost Proposal Form shall be provided in a separate, sealed envelope. This envelope may be included in the shipping package with the Proposer’s Technical Proposal; however, it must be separately sealed within the package. While factors that contribute to cost may be discussed in the Proposer’s Proposal, actual pricing shall only be included in the Cost Proposal. The inclusion of price information in the Technical Proposal will result in finding the Proposal non-responsive.

3.3 Proposal Evaluation and Criterion

Failure to respond, provide detailed information, or provide requested Proposal elements will result in the reduction of points in the evaluation process. The District will reject any Proposal containing material deviations from the RFP. The District may waive any minor irregularities and technicalities. If only one responsive Proposal is received, the Team may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C. The evaluation process will be conducted as described below. Evaluation of Proposals will be based on an average of the Evaluation Team Member’s points (for sections evaluated by the Team).

3.3.1 Responsiveness Determination: Each Proposal will be reviewed by the District’s Purchasing Department to determine if the Proposal meets the mandatory responsiveness criteria as listed in Section 1.4(j) of the RFP. Proposals deemed non-responsive will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a member of the Evaluation Team.

3.3.2 Cost Evaluation: The District’s Purchasing Department will review and assign Cost Points based on the formula below:

Cost Component	Cost Points
Hourly Labor Cost Total (Straight Time)	25
Hourly Labor Cost Total (Overtime)	10
Materials Markup % Over Cost	5
Total Cost Points Available	40 points

For Cost Points, the Vendor submitting the lowest Cost will receive the total points available. All other Proposals will receive Cost Points according to the following formula:

$$(N / X) \times \text{Cost Points Available} = Z$$

Where:

N = Lowest Price received by any Proposal

X = Vendor's Proposed Price

Z = Total Cost Points Awarded

3.3.3 Evaluation Team: This step evaluates the strengths of the companies that have responded to the RFP. The Team will score the Proposals using the evaluation criterion below.

Evaluation Criterion	Maximum Assigned Points
<p>CRITERION 1: Business Experience</p> <ul style="list-style-type: none"> To what extent does the Vendor's corporate structure, past performance, and qualifications demonstrate an ability to provide quality roofing system contractor services? Financial viability and stability To what extent does the Vendor demonstrate stability in providing prior contractual services? To what extent does the Vendor demonstrate the ability to comply with required licensing requirements, including past licensing issues? 	<p>Excellent 30 Good 22.5 Fair 15 Poor 7.5 Unsatisfactory 0</p>
<p>CRITERION 2: Staffing and Qualifications</p> <ul style="list-style-type: none"> To what extent does the Vendor's proposed staff reflect the experience required in this RFP? <p>CRITERION 3: Quality of References</p> <ul style="list-style-type: none"> To what extent do the Vendor's references demonstrate its ability to provide services under a Contract? Scored by LCS Purchasing Department	
CRITERION 5: Cost Points	Points to be assigned per Section 3.3.2
Local Preference (Board Policy 6450)	10
Small Business Certification (Board Policy 6325)	5

3.3.4 Score Computation: All scores will be calculated (sections scored by the Team will be averaged per criterion) and combined for a Grand Total Score. The table below provides scoring guidelines to be used by the District’s Evaluation Team members when allocating points:

Score	Score Description
Excellent	Exceeds expectations for effectiveness and responsiveness to the requirement. “Excellent” is defined as a proposal to a specific criterion that is extensive, detailed, and exceeds all requirements and objectives of the solicitation, with a high probability of meeting the requirements with little or no risk to the School District. “Excellent” also demonstrates a complete understanding of the requirements, with the approach significantly exceeding performance and/or capability standards, has several exceptional strengths, shows no weaknesses, and will require normal contractor effort and project monitoring.
Good	Above minimum performance, effective and responsive to the requirement. “Good” is defined as a proposal that generally exceeds requirements in minor areas; therefore, it has a good probability of meeting the requirements with little risk to the School District. “Good” also demonstrates a good understanding of the requirements, and the approach exceeds the performance or capability standards with one or more strengths that will benefit the School District. Weaknesses will have little potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Normal contract effort and project monitoring will be required to overcome any difficulties.
Fair	Minimally acceptable performance standards and responsive to the requirement. “Fair” is defined as a proposal that generally meets the requirements. “Fair” demonstrates an acceptable understanding of the requirements, and the approach meets the performance or capability standards with no obvious strengths that will benefit the School District. Weaknesses will have the potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Special contractor emphasis and close monitoring will probably minimize any difficulties of risk.
Poor	Responsive to the requirement but below acceptable standards. “Poor” is defined as a proposal that demonstrates a limited understanding of the requirements includes minor omissions, and the approach barely meets the performance or capability standards necessary for minimal contract performance. “Poor” demonstrates a misunderstanding of the requirements that may be corrected or resolved through discussions without a complete revision of the Proposal. Weaknesses can potentially cause some disruption of schedule, increase in cost, and/or degradation of performance even with special contractor emphasis and close project monitoring.
Unsatisfactory	Not responsive to requirements. “Unsatisfactory” is defined as a proposal not meeting the requirements without major revisions and proposes an unacceptable risk. “Unsatisfactory” demonstrates a misunderstanding of the requirements; the approach fails to meet performance or capability standards and contains major omissions and inadequate detail to assure the evaluator that the Proposer understands the requirement.

3.4 Advertising Notice of Board Decision

A Contract will be awarded to the Responsive and Responsible Vendor(s) who receive the highest Final Score, considering price and other requirements as set forth in Section 3.3. The District reserves the right to award one (1) or more Contracts, in whole or in part, for the services sought in this RFP. The District reserves the right to accept or reject any and all offers or separable portions and to waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the best interest of the Board.

As in any competitive solicitation, the Board shall advertise a public notice of Board Decision when the Board has decided on the outcome of the solicitation, including, but not limited to, a decision to award a Contract(s), reject all Proposals, or to cancel/withdraw the RFP.

The Notice of Board Decision will be advertised on or about the date shown in the Timeline and will remain posted for a period of 72 hours (Saturdays, Sundays, and District holidays shall be excluded in the computation of the 72-hour period).

3.5 No Prior Involvement and Conflicts of Interest

Any Proposer who participated through decision, approval, disapproval, recommendation, preparation of any part of the purchase, influenced the content of the solicitation, rendered advice, investigated, audited, or served in any other advisory capacity is ineligible to participate in this solicitation.

Additionally, no Proposer shall compensate in any manner, directly or indirectly, any officer, agent, or employee of the District for any act or service which he/she may do or perform for, or on behalf of, any officer, agent, or employee of the Proposer. No officer, agent, or employee of the District or Board shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Board. The Proposer shall have no interest and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this RFP.

Certification and acceptance of this provision is incorporated in Attachment II, Required Provisions Certification.

3.6 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution very seriously. If the Proposer considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Proposer must also simultaneously provide the District with a separate redacted copy of its Proposal and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Proposer on the cover and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Proposer submits its Proposal to the solicitation and must only exclude or redact those exact portions that are claimed confidential, proprietary, or trade secret. The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not

subject to disclosure. Further, the Proposer shall protect, defend, and indemnify the District for any and all claims arising from or relating to the Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Proposer fails to submit a Redacted Copy with its Proposal, the District is authorized to produce the entire documents, data, or records submitted by the Proposer in answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents be liable for disclosing or otherwise failing to protect the confidentiality of information submitted in response to this solicitation.

3.7 Small Business Participation

This RFP, in the evaluation phase, is subject to the small business development provisions specified in Board Policy 6325. If the Proposer is considering using subcontractors, the District highly encourages the use of small business vendors.

3.8 Local Business Preference

This RFP, in the evaluation phase, is subject to the local preference provisions specified in Board Policy 6450. If the Proposer is considering using subcontractors, the District highly encourages the use of local business vendors

SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service that affect the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation, and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Proposers due to this RFP or Contract.

4.4 E-Verify

Per Executive Order 11-116, "The provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the contract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor shall not enter into a contract unless each party to the contract registers with and uses the E-Verify system per Section 448.095, F.S.

4.5 Subcontracts

The Contractor may, only with the prior written consent of the District, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission must be identified in the submitted Proposal using Attachment VII, Subcontracting Form. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the District. No subcontract, which the Contractor enters into concerning the performance of any of its functions under the Contract, shall in any way relieve the Contractor of any responsibility for the performance of its duties. All subcontractors, regardless of function, providing services on District property shall comply with the District's security requirements, as defined by the Board, including background checks, compliance with Board Policy 2.021, the Jessica Lunsford Act, and all other Contract requirements. All payments to subcontractors shall be made by the Contractor.

If a subcontractor is utilized by the Contractor, the Contractor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the District, per Section 287.0585, F.S. It is understood and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract. Failure by the Contractor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Prime Contractor to the subcontractor in the amount of one-half (½) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

4.6 Background Screening Requirements/Jessica Lunsford Act

Florida Statutes contain certain fingerprinting and/or screening requirements pertaining to all persons or entities entering into contracts with Schools, School Boards, School Districts, and Charter Schools who may have personnel who will be on school grounds when students may be present. Any individual who fails to meet the statutory requirements shall not be allowed on school grounds. Failure to comply with the statutory requirements will be considered a material default of this Contract. The Contractor shall bear all costs associated with background screening.

The District will provide prompt written notification of a claim of copyright or patent infringement and will afford the Contractor the full opportunity to defend the action and control the defense of such claim.

Further, if such a claim is made or is pending, the Contractor may, at its option and expense, procure for the District the right to continue the use of, replace, or modify the article to render it non-infringing. Instructions for Certification

1. By signing and submitting this form, the prospective lower-tier participant is providing the certification set out on page 1 in accordance with these instructions.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person(s) to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. Parts 180 and 417. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower-tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.
8. Nothing contained in the foregoing shall be construed to require the establishment of a system of records to render in good faith the certification required by this clause. The knowledge and information of a participant are not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower-tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
