Each Proposer shall complete and submit Attachment I, Cost Proposal Form, indicating pricing for the equipment and services as detailed. The Cost Proposal Form shall **NOT** be included in the Proposer's Technical Proposal. The Cost Proposal Form shall be provided in a separate, sealed envelope. This envelope may be included in the shipping package with the Proposer's Technical

Proposal; however, it must be separately sealed within the package. While factors that contribute to cost may be discussed in the Respondent's Proposal, actual pricing shall only be included in the Cost Proposal. Inclusion of price information in the Technical Proposal may result in finding the Proposal non-responsive.

3.3 Proposal Evaluation and Criterion

Failure to respond, provide detailed information, or provide requested Proposal elements will result in the reduction of points in the evaluation process. The District will reject any Proposal containing material deviations from the RFP. The District may waive any minor irregularities and technicalities. If only one responsive Proposal is received, the Committee may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C. The evaluation process will be conducted as described below. Evaluation of Proposals will be based on an average of the Evaluation Committee Member's points (for sections evaluated by a committee).

3.3.1. Minimum Eligibility: Each Proposal will be evaluated by the District's Purchasing Department to determine if the Proposal meets the mandatory responsiveness criteria as listed in Section 1.4(j) of the RFP. Proposals that fail to meet the minimum eligibility requirements as stated will not be further evaluated nor be considered for award.

3.3.2. Evaluation: The District's Evaluation Team, comprised of staff knowledgeable in different aspects of this RFP will independently review and assign a score based on the Evaluation Criteria detailed in this section of the RFP each of the responsive and responsible Proposals. This step evaluates the strengths of the companies that have responded to the RFP. The Committee will score the proposals on the basis of the evaluation criterion set forth below.

3.3.3. Cost Evaluation: The District's Purchasing Department will review and assign Cost Points based on the formula below:

Cost Component	Weight
Hourly Labor Cost	30 pts
Material % Over Cost Mark-up	20 pts
TOTAL COST POINTS	50 points

For Cost Points, the Vendor submitting the lowest Hourly Labor Cost or Over Cost Percentage Mark-up will receive the total points assigned for that category. All other Proposals will receive Cost Points according to the following formula:

$$(N / X) \times \text{Total Cost Points Assigned} = Z$$

Where:

N = Lowest Price (per cost component) received by any Proposal

X = Vendor's Proposed Price

Z = Cost Points Awarded

Once we have determined Vendors' weighted points for each cost component, the following formula will be used:

$$\text{Hourly Labor Cost Points} + \text{Over Cost Percentage Mark-up Cost Points} = \text{Overall Cost Points}$$

3.3.4. Score Computation: All scores will be calculated (sections scored by the committee will be averaged per criterion) and combined for a Grand Total Score.

3.3.5. The table below provides scoring guidelines to be used by the District’s Evaluation Team members when allocating points:

Score	Score Description
Excellent	Exceeds expectations for effectiveness and responsiveness to the requirement. “Excellent” is defined as a proposal to a specific criterion that is extensive, detailed, exceeding all requirements and objectives of the solicitation, with the high probability of meeting the requirements with little or no risk to the School District. “Excellent” also demonstrates a complete understanding of the requirements, with the approach significantly exceeding performance and/or capability standards, has several exceptional strengths, shows no weaknesses, and will require normal contractor effort and project monitoring.
Good	Above minimum performance, effective and responsive to the requirement. “Good” is defined as a proposal which generally exceeds requirements in minor areas; therefore, has a good probability of meeting the requirements with little risk to the School District. “Good” also demonstrates a good understanding of the requirements, and the approach exceeds the performance or capability standards, with one or more strengths that will benefit the School District. Weaknesses will have little potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Normal contract effort and project monitoring will be required to overcome any difficulties.
Fair	Minimal acceptable performance standards and responsive to the requirement. “Fair” is defined as a proposal which generally meets the requirements. “Fair” demonstrates acceptable understanding of the requirements and the approach meets the performance or capability standards with no obvious strengths that will benefit the School District. Weaknesses will have the potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Special contractor emphasis and close monitoring will probably minimize any difficulties of risk.
Poor	Responsive to the requirement but below acceptable standards. “Poor” is defined as a proposal that demonstrates a limited understanding of the requirements, includes minor omissions, and the approach barely meets the performance or capability standards necessary for minimal contract performance. “Poor” demonstrates a misunderstanding of the requirements that may be corrected or resolved through discussions without a complete revision of the Proposal. Weaknesses can potentially cause some disruption of schedule, increase in cost, and/or degradation of performance even with special contractor emphasis and close project monitoring.
Unsatisfactory	Not responsive to requirement. “Unsatisfactory” is defined as a proposal not meeting the requirements without major revisions and proposes an unacceptable risk. “Unsatisfactory” demonstrates a misunderstanding of the requirements; the approach fails to meet performance or capability standard and contains major omissions and inadequate detail to assure the evaluator that the respondent understands the requirement.

3.4 Advertising Notice of Board Decision

A Contract will be awarded to the Responsive and Responsible Vendor(s) who receive the highest Final Score, considering price and other requirements as set forth in Section 3.3. The District reserves the right to award one (1) or more Contracts, in whole, or for part, for the services sought in this RFP. The District reserves the right to accept or reject any and all offers, or separable portions, and to waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the best interest of the Board. While the Board will encourage use by all District departments, the Contract(s) is not an exclusive agreement and the Board may secure the same or similar goods and services from other vendors, in accordance with applicable procurement laws, rules, and policies.

As in any competitive solicitation, the Board shall advertise a public notice of Board Decision when the Board has decided on the outcome of the solicitation including, but not limited to, a decision to award a Contract(s), reject all Proposals, or to cancel/withdraw the RFP.

The Notice of Board Decision will be advertised on or about the date shown in the Timeline and will remain posted for a period of 72 hours (Saturdays, Sundays, and District holidays shall be excluded in the computation of the 72-hour period).

3.5 No Prior Involvement and Conflicts of Interest

Any Proposer who participated through decision, approval, disapproval, recommendation, preparation of any part of the purchase, influenced the content of the solicitation, rendered advice, investigated, audited, or served in any other advisory capacity, is ineligible to participate in this solicitation.

Additionally, no Proposer shall compensate in any manner, directly or indirectly, any officer, agent, or employee of the District for any act or service which he/she may do, or perform for, or on behalf of, any officer, agent, or employee of the Proposer. No officer, agent, or employee of the District or Board shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Board. The Proposer shall have no interest, and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this RFP.

Certification and acceptance of this provision is incorporated in Attachment II, Required Provisions Certification.

3.6 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. If the Proposer considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Proposer must also simultaneously provide the District with a separate redacted copy of its Proposal and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Proposer on the cover, and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Proposer submits its Proposal to the solicitation, and must only exclude or redact those exact

portions which are claimed confidential, proprietary, or trade secret. The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure. Further, the Proposer shall protect, defend, and indemnify the District for any and all claims arising from or relating to Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Proposer fails to submit a Redacted Copy with its Proposal, the District is authorized to produce the entire documents, data, or records submitted by the Proposer in answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents, be liable for disclosing, or otherwise failing to protect, the confidentiality of information submitted in response to this solicitation.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Proposers due to this RFP or Contract.

4.4 E-Verify

Per Executive Order 11-116, "The provider agrees to utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.gov/employers>, to verify the employment eligibility of all new employees hired during the contract term by the Provider. The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor shall not enter into a contract unless each party to the contract registers with and uses the E-Verify system per Section 448.095, F.S.

4.5 Subcontracts

The Contractor may, only with the prior written consent of the District, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission must be identified in the submitted Proposal using Attachment VII, Subcontracting Form. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the District. No subcontract, which the Contractor enters into concerning the performance of any of its functions under the Contract, shall in any way relieve the Contractor of any responsibility for the performance of its duties. All subcontractors, regardless of function, providing services on District property, shall comply with the District's security requirements, as defined by the Board, including background checks, compliance with Board Policy 2.021, the Jessica

Lunsford Act, and all other Contract requirements. All payments to subcontractors shall be made by the Contractor.

If a subcontractor is utilized by the Contractor, the Contractor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the District, per Section 287.0585, F.S. It is understood, and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract. Failure by the Contractor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Prime Contractor to the subcontractor in the amount of one-half (½) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

Notice shall be delivered by certified mail (return receipt requested), in-person with proof of delivery, or by another method of delivery whereby an original signature is obtained. The District shall be the final authority as to the availability of funds.

4.20.5 Contract Termination Requirements

If at any time, the Contract is cancelled, terminated, or otherwise expires, and a Contract is subsequently executed with a Contractor other than the Contractor or service delivery is provided by the District, the Contractor has the affirmative obligation to assist in the smooth transition of Contract services to the subsequent provider. This includes, but is not limited to, the timely provision of all Contract-related documents, information, and reports, not otherwise protected from disclosure by law to the replacing party.

4.21 Public Records

To the extent that information is utilized in the performance of the Contract(s) or generated as a result of it, and to the extent that information meets the definition of "public record," as defined in Section 119.011(12), F.S., said information is recognized by the parties to be a public record and, absent a provision of law or administrative rule or regulation requiring otherwise, shall be made available for inspection and copying by any person upon request as provided in Chapter 119, F.S. The Contractor agrees to (a) keep and maintain public records required to perform the service; (b) upon request from the District's custodian of public records, provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the District; and (d) upon completion of the Contract, transfer, at no cost, to the District all public records in possession of the Contractor or keep and maintain public records required by the District to perform the service. If the Contractor transfers all public records to the District upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records.

All records stored electronically must be provided to the District, upon request from the District's custodian of public records or Contract Manager, in a format that is compatible with the information technology systems of the District. Unless a greater retention period is required by state or federal law, all documents pertaining to the program contemplated by this RFP shall be retained by the Proposer for five (5) years after the termination of the resulting contract or longer as may be required

by any renewal or extension of the Contract. The District may unilaterally cancel the Contract for refusal by the Proposer to allow public access to all documents, papers, letters, or other material made or received by the Proposer in conjunction with the Contract unless the records are exempt from Section 24(a) of Art. I of the State Constitution and either Sections 119.07(1), or 119.071, F.S.

Instructions for Certification

- (1) By signing and submitting this form, the prospective lower tier participant is providing the certification set out on page 1 in accordance with these instructions.
- (2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
- (3) The prospective lower tier participant shall provide immediate written notice to the person(s) to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. Parts 180 and 417. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- (5) The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- (6) The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.
- (8) Nothing contained in the foregoing shall be construed to require establishment of a system of records to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (9) Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
