The Cost Proposal Form shall NOT be included in the Proposer's Technical Proposal. The Cost Proposal Form shall be provided in a separate, sealed envelope. This envelope may be included in the shipping package with the Proposer's Technical Proposal; however, it must be separately sealed within the package. While factors that contribute to cost may be discussed in the Proposer's Proposal, actual pricing shall only be included in the Cost Proposal. Inclusion of price information in the Technical Proposal will result in finding the Proposal non-responsive.

3.3 Proposal Evaluation and Criterion

Failure to respond, provide detailed information, or provide requested Proposal elements will result in the reduction of points in the evaluation process. The District will reject any Proposal containing material deviations from the RFP. The District may waive any minor irregularities and technicalities. If only one responsive Proposal is received, the Team may negotiate the best terms and conditions with that sole Proposer or may recommend the rejection of all proposals as permitted by Section 6A-1.012(12)(c), F.A.C. The evaluation process will be conducted as described below. Evaluation of Proposals will be based on an average of the Evaluation Team Member's points (for sections evaluated by the Team).

3.3.1 Responsiveness Determination: Each Proposal will be reviewed by the District's Purchasing Department to determine if the Proposal meets the mandatory responsiveness criteria as listed in Section 1.4(j) of the RFP. Proposals deemed non-responsive will not be further evaluated nor be considered for award. The individual responsible for this portion of the evaluation is not a member of the Evaluation Team.

3.3.2 Cost Evaluation: The District's Purchasing Department will review and assign Cost Points based on the formula below:

Cost Component	Cost Points
Device, Warranty, Additional Products, Licenses, and Services <i>The Vendor's proposed price shall be calculated as follows:</i> Vendor's Proposed Price = Per Unit Cost with 4-Year Extended Warranty including Battery + Hardened Clear Protective Case + ChromeOS Management License + White Glove Services	35

Out of Warranty Repairs <i>The District is requesting a fixed repair rate per incident and a % of cost parts markup. All vendors will undergo assessment based on a hypothetical repair scenario with an \$80 parts cost. The Vendor's proposed price shall be calculated as follows:</i> Vendor's Proposed Price = Fixed Repair Rate + (80 * (1 + Parts Markup))	25
Total Cost Points	60

For Cost Points, the Vendor submitting the lowest Cost will receive the total points available. All other Proposals will receive Cost Points according to the following formula:

$$(N / X) \times \text{Cost Points Available} = Z$$

Where:

N = Lowest Price received by any Proposal

X = Vendor's Proposed Price

Z = Total Cost Points Awarded

3.3.3 Evaluation Team: This step evaluates the strengths of the companies that have responded to the RFP. The Team will score the Proposals using the evaluation criterion below.

3.3.4 Score Computation: All scores will be calculated (sections scored by the Team will be averaged per criterion) and combined for a Grand Total Score.

3.3.5 Scoring Guidelines: The table below provides scoring guidelines to be used by the District's Evaluation Team members when allocating points:

Score	Score Description
Excellent	Exceeds expectations for effectiveness and responsiveness to the requirement. "Excellent" is defined as a proposal to a specific criterion that is extensive, detailed, exceeding all requirements and objectives of the solicitation, with the high probability of meeting the requirements with little or no risk to the School District. "Excellent" also demonstrates a complete understanding of the requirements, with the approach significantly exceeding performance and/or capability standards, has several exceptional strengths, shows no weaknesses, and will require normal contractor effort and project monitoring.
Good	Above minimum performance, effective and responsive to the requirement. "Good" is defined as a proposal which generally exceeds requirements in minor areas; therefore, has a good probability of meeting the requirements with little risk to the School District. "Good" also demonstrates a good understanding of the requirements, and the approach exceeds the performance or capability standards, with one or more strengths that will benefit the School District. Weaknesses will have little potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Normal contract effort and project monitoring will be required to overcome any difficulties.
Fair	Minimal acceptable performance standards and responsive to the requirement. "Fair" is defined as a proposal which generally meets the requirements. "Fair" demonstrates acceptable understanding of the requirements and the approach meets the performance or capability standards with no obvious strengths that will benefit the School District. Weaknesses will have the potential to cause a disruption of schedule, an increase in cost, or a degradation of performance. Special contractor emphasis and close monitoring will probably minimize any difficulties of risk.

Poor	Responsive to the requirement but below acceptable standards. “Poor” is defined as a proposal that demonstrates a limited understanding of the requirements, includes minor omissions, and the approach barely meets the performance or capability standards necessary for minimal contract performance. “Poor” demonstrates a misunderstanding of the requirements that may be corrected or resolved through discussions without a complete revision of the Proposal. Weaknesses can potentially cause some disruption of schedule, increase in cost, and/or degradation of performance even with special contractor emphasis and close project monitoring.
Unsatisfactory	Not responsive to requirement. “Unsatisfactory” is defined as a proposal not meeting the requirements without major revisions and proposes an unacceptable risk. “Unsatisfactory” demonstrates a misunderstanding of the requirements; the approach fails to meet performance or capability standard and contains major omissions and inadequate detail to assure the evaluator that the Proposer understands the requirement.

3.4 Advertising Notice of Board Decision

A Contract will be awarded to the Responsive and Responsible Vendor(s) who receive the highest Final Score, considering price and other requirements as set forth in Section 3.3. The District reserves the right to award one (1) or more Contracts, in whole, or for part, for the services sought in this RFP. The District reserves the right to accept or reject any and all offers, or separable portions, and to waive any Minor Irregularity, technicality, or omission if the District determines doing so will serve the best interest of the Board.

As in any competitive solicitation, the Board shall advertise a public notice of Board Decision when the Board has decided on the outcome of the solicitation including, but not limited to, a decision to award a Contract(s), reject all Proposals, or to cancel/withdraw the RFP.

The Notice of Board Decision will be advertised on or about the date shown in the Timeline and will remain posted for a period of 72 hours (Saturdays, Sundays, and District holidays shall be excluded in the computation of the 72-hour period).

3.5 No Prior Involvement and Conflicts of Interest

Any Proposer who participated through decision, approval, disapproval, recommendation, preparation of any part of the purchase, influenced the content of the solicitation, rendered advice, investigated, audited, or served in any other advisory capacity, is ineligible to participate in this solicitation.

Additionally, no Proposer shall compensate in any manner, directly or indirectly, any officer, agent, or employee of the District for any act or service which he/she may do, or perform for, or on behalf of, any officer, agent, or employee of the Proposer. No officer, agent, or employee of the District or Board shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Board. The Proposer shall have no interest, and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under this RFP.

Certification and acceptance of this provision is incorporated in Attachment II, Required Provisions Certification.

3.6 Confidentiality, Proprietary, or Trade Secret Material

The District takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. If the Proposer considers any portion of the documents, data, or records submitted in response to this solicitation to be confidential, trade secret, or otherwise not subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority, the Proposer must also simultaneously provide the District with a separate redacted copy of its Proposal and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the District's solicitation name, number, and the name of the Proposer on the cover, and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the District at the same time the Proposer submits its Proposal to the solicitation, and must only exclude or redact those exact portions which are claimed confidential, proprietary, or trade secret. The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, trade secret, or otherwise not subject to disclosure. Further, the Proposer shall protect, defend, and indemnify the District for any and all claims arising from or relating to Proposer's determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If the Proposer fails to submit a Redacted Copy with its Proposal, the District is authorized to produce the entire documents, data, or records submitted by the Proposer in answer to a public record request for these records. In no event shall the District, Board, or any of its employees or agents, be liable for disclosing, or otherwise failing to protect, the confidentiality of information submitted in response to this solicitation.

SECTION 4: Contract Terms and Conditions

4.1 Contract Modifications

During the term of the Contract, the District may unilaterally require changes (altering, adding to, or deducting from the specifications) provided such changes are within the general scope of this solicitation. The Contractor may request an equitable adjustment in the price(s) or delivery date(s) if the change affects the cost or time of performance. Such equitable adjustments require a formal contract amendment. The District shall provide written notice to the Bidder 30 days in advance of any Department-required changes to the technical specifications and/or scope of service, which affects the Bidder's ability to provide the service as specified herein. Any changes, other than purely administrative changes, will require a written change order or formal Contract amendment.

The District will authorize additional services on an individual basis. The District would jointly determine with the Contractor a "not to exceed" price for each additional project using the contractually established hourly rates.

4.2 Use by Other Public Agencies

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Any such purchases are independent of the agreement between the District and Contractor, and the District shall not be a party to any transaction between the Contractor and any other purchaser.

The District hereby notifies interested parties that the Florida Department of Management Services purchasing agreements and state term contracts have been reviewed for the goods and services contemplated by this solicitation and the District has determined conducting our own solicitation is in our best interest.

4.3 Travel Expenses

The District shall not be responsible for the payment of any travel expenses incurred by Proposers due to this RFP or Contract.

The Provider shall also include a requirement in subcontracts that the subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term." Contractors meeting the terms and conditions of the E-Verify System are deemed to comply with this provision.

Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor shall not enter into a contract unless each party to the contract registers with and uses the E-Verify system per Section 448.095, F.S.

4.5 Subcontracts

The Contractor may, only with the prior written consent of the District, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission must be identified in the submitted Proposal using Attachment VII, Subcontracting Form. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the District. No subcontract, which the Contractor enters into concerning the performance of any of its functions under the Contract, shall in any way relieve the Contractor of any responsibility for the performance of its duties. All subcontractors, regardless of function, providing services on District property, shall comply with the District's security requirements, as defined by the Board, including background checks, compliance with Board Policy 2.021, the Jessica Lunsford Act, and all other Contract requirements. All payments to subcontractors shall be made by the Contractor.

If a subcontractor is utilized by the Contractor, the Contractor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the District, per Section 287.0585, F.S. It is understood, and agreed that the District shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Contractor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract. Failure by the Contractor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Prime Contractor to the subcontractor in the amount of one-half ($\frac{1}{2}$) of one percent (1%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

4.6 Background Screening Requirements/Jessica Lunsford Act

Florida Statutes contain certain fingerprinting and/or screening requirements pertaining to all persons or entities entering into contracts with Schools, School Boards, School Districts, and Charter Schools who may have personnel who will be on school grounds when students may be present. Any individual who fails to meet the statutory requirements shall not be allowed on school grounds. Failure to comply with the statutory requirements will be considered a material default of this Contract. The Contractor shall bear all costs associated with background screening.

- (2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
- (3) The prospective lower tier participant shall provide immediate written notice to the person(s) to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. - (5) The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- (6) The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.
- (8) Nothing contained in the foregoing shall be construed to require establishment of a system of records to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (9) Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
