13.	Cognia Accreditation – Districtwide (formerly AdvancEd)	Michelle Gayle	5 min.	Information
14.	2020/21 Presentation requests	Michelle Gayle	7 min.	
15.	SAC Questions	Johnitta Wells	10 min.	
16.	Wrap Up on Issues	Johnitta Wells	10 min.	
17.	Adjourn			

*Please note that one or more Board members may attend this meeting
 Next Meeting – Thursday, November 5, 2020

Safe Routes to School Projects

*District Advisory Council Meeting
October 8, 2020*

*Presented by: Chris Muehleman, P.E.
Chief of Engineering Design*

People Focused. Performance Driven.

Leon County SRTS Overview

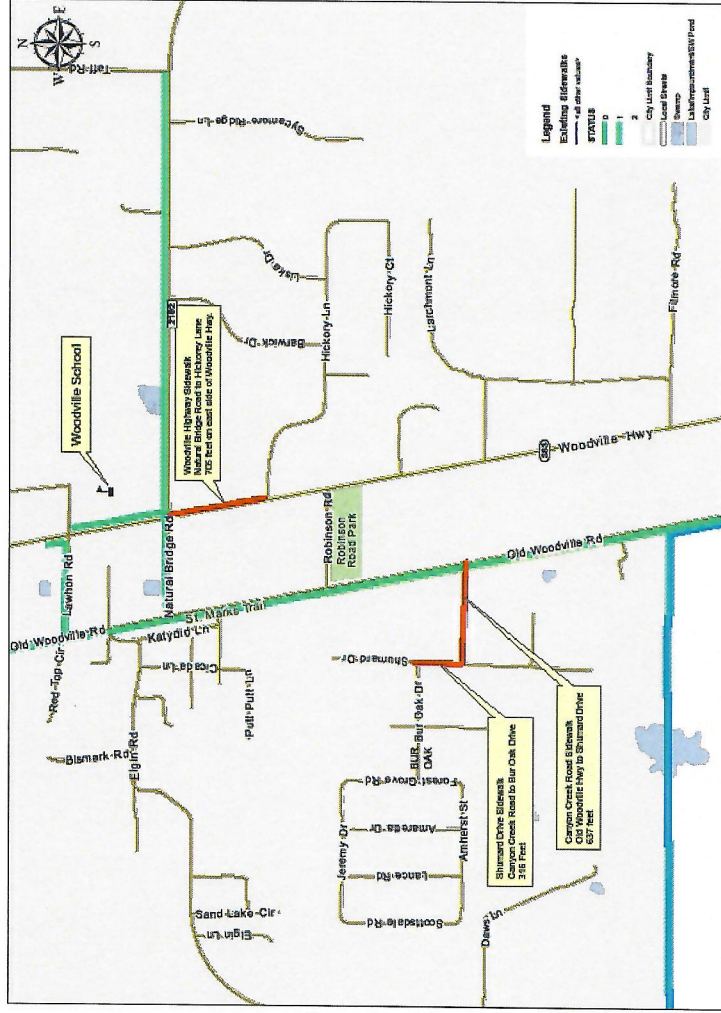

- In 2014 the Capital Regional Transportation Planning Agency (CRTPA) completed the Leon County Safe Routes to School Study Project and presented the study to the District Advisory Council (DAC) in February 2014
- The study resulted in Countywide and individual school-level policies, programs and infrastructure improvement recommendations.
- In 2015 Leon County Board of County Commissioners amended the Sidewalk/Bikeway Provision Selection Criteria Policy to include the CRTPA SRTS sidewalk list from the study as one of the scoring criteria to prioritize sidewalk projects.
- The prioritization of projects is based on the number of criteria a project meets, the more criteria, the higher the tier. The policy dictates that all tier one projects shall be programmed through construction before beginning work on next tier projects.
- Leon County is seeking Florida Department of Transportation SRTS Grant Funding, with the District Advisory Council's endorsement, to advance design and construction of certain SRTS projects.
