- II. **School Board Members/District Administration/District Staff:** TBA
- III. **Excused:** TBA
- IV. **Guests:** TBA
- V. **Welcome and Introductions:** The meeting was called to order at 6:02 p.m. by Dr. Gayle. She welcomed everyone. Then proceeded with introductions by everyone in attendance.
- VI. **Welcome from Superintendent:** Assistant Superintendent Gillian Gregory presented a brief overview of the 2021/22 Start of School: Academic Services program. The philosophy is “Children are not a distraction from more important work. They are the most important work.” She then introduced Brooke Brunner, Director, and Early Childhood Programs.

Ms. Brunner said Pre-K screening has been on-going since January. She said a community meeting was held on Monday, July 26 and it was announced there are still slots available in the Pre-K program. She said each child entering Pre-K should know their first and last name as well as their parent’s name. Ms. Brunner said it’s also time to get your child registered for Kindergarten.

(View the full presentation from Assistant Superintendent Gregory on the DAC page located on the LCS website).

Assistant Superintendent Alan Cox presented on the 2021/2022 LCS Health Plan. He stated that every effort will be made to keep our students/faculty and staff safe. He said the dashboard will remain to keep parents and the community informed. He said middle and high schools will be back to the regular schedule instead o the block schedule. Several DAC members asked why the move to go back to the regular schedule. Assistant

Superintendent Cox said teachers are not trained to teach block schedules. Chiles Principal Joe Burgess the regular schedule provides consistency which is especially helpful for those students that struggle to keep up. Principal Burgess said if a student missing one class on the block schedule is equivalent to missing three (3) days of class for a regular schedule. (View the full presentation from Assistant Superintendent Cox on the LCS website click the tap labeled "In Class").

Superintendent Hanna said it's seems as if there has been no summer breaks just one long year and a half. Much discussion was held on the decision to make the wearing of face mask optional. He said he based his decision on the information provided by the various health facilities, the local health department, the state health department and the CDC. Superintendent Hanna said he made the decision without any pressure from Governor DeSantis. He said he has no problem revisiting his decision if the positivity rates among children increase.

Superintendent Hanna said test scores dropped in ELA however scores dropped significantly in Math. He said we will make every effort to get our students back in a good posture.

Superintendent Hanna said the District is in a good place financially. We're excited about reopening the school cafeterias to allow hot meals instead of those wonderful "bag" lunches.

Superintendent Hanna expressed his appreciation to each DAC member for their service.

- VII. **Approval of the Agenda:** Due to the lack of a quorum, approval was tabled until the next DAC (9/23/21).
- VIII. **Approval of the Minutes:** Due to the lack of a quorum, approval was tabled until the next DAC (9/23/21).
- IX. **LCS Strategic Plan Input:** Dr. Gayle stated we will address the Vision/Mission/Belief statement at the September 23 meeting. Discussion was held on the Five Pillars of Strategic Plan. The current listing order: Student Achievement; Safe Environment; Quality Resource; Engaged Community and Fiscal Stewardship and Transparency will be updated to move Safe Environment as the lead pillar.

Dr. Gayle asked for suggestions/comments from DAC members regarding the language in the Strategic Plan:

- Change Student Achievement to Post Secondary Success;
- Add career/dual enrollment;
- Replace all “&” symbols with the word “and”;
- Replace quality resources with recruitment efforts;
- Under Quality Resources use a difference term for “under-represented” student. An example of what the term meant was shared i.e. females are under-represented in Math.;
- The District is in the process of rebuilding Channel 23;
- Engage the business community even if they are for profit;
- Change “Create collaborations with..., Leon County & Tallahassee Area Chamber of Commerce” to “Create collaborations with ..., Leon County and Tallahassee Area Chambers of Commerce”;
- Consider a hot-link to the website;
- Pre IB is IB Preparatory;
- Under the pillar Fiscal Stewardship and Transparency check into utilizing the Sterling Award.

X. **2021/2022 DAC Elections:** Due to the lack of a quorum, the 2020/2021 Officers will continue to serve until election is held to elect the 2021/2022 Officers. Dr. Gayle said we will explore offering zoom /hybrid options for those DAC members not comfortable meeting in person.

XI. **DAC Discussion of Board Actions regarding Advisory Councils:** DAC Chair Johnitta Wells said the LCS school board had previously voted to only receive reports from each advisory council quarterly. When asked for clarification on the limitations, she said the LCS Board stated they prefer a brief summary and suggested the reports be streamlined. They subsequently reversed this decision and will allow each council to come as often as deem necessary.

DAC Chair Wells suggested that we start the legislative process now at the Beginning of the school year instead of waiting.

The Leon County School District (District Advisory Council, Title I Advisory Council, ESE Advisory Council, Early Learning Advisory Council and Leon County Teachers Association) has identified priorities that remain critical to ensuring the success of traditional public schools in the longer term. They can be seen below.

Secure adequate funding to provide a high quality education to all students, while identifying stable revenue sources to guarantee long term investments in Florida's education system by:

- No longer adjusting the Required Local Effort to the rollback rate, allow the revenue to trend with the property values providing additional flexibility to school district revenues to be used to meet the needs of students.
- Continuing to hold schools harmless for loss of FTE related to COVID and fully funding students that wish to continue learning in a virtual school instruction model.
- Increasing transportation FTE funding to align better with actual cost of safely transporting students.
- Increasing Safe Schools categorical per student funding to allow for additional school resource officers in order to keep our campuses safe.
- Increasing Instructional Materials categorical to allow for additional textbook adoptions that align to the new standards as well as dual enrollment and digital instructional materials.
- Restoring Digital Classrooms categorical. Districts are using technology now more than ever and need these important funds to maintain school resources and infrastructure.
- Decreasing the expansion of the school voucher program.
- Maintaining the Mental Health Categorical at its current level.
- Supporting an increase to Voluntary Pre-Kindergarten (VPK) funding that covers full-day programming.

Prioritize the meaningful assessment of student learning by:

- Decreasing reliance on high stakes testing to make promotion/retention and school grade decisions.
- Elevating alternative assessment measures, such as portfolios, that allow students to demonstrate mastery of knowledge/understanding.

Ensure charter schools and private schools receiving vouchers funded by tax-payer dollars are held to the same standard as traditional public schools in Florida by:

- Requiring they follow the same basic mandates as traditional public schools, including those related to:
 - Required instruction outlined in Statute 1003.42.
 - Mental health (i.e., six hours of instruction to students in grades 6-12).
 - School safety and security (i.e., implementing all school hardening requirements as well as technology enhancements in accordance with guidance provided as part of the annual Florida Safe Schools Assessment Tool, or FSSAT, process).
