Please find enclosed an attachment for a flyer advertising these events. We would appreciate it if you could distribute this information to your teachers, staff, and students to help advertise this event.

If you have an electronic newsletter that you send to your families, it would be helpful if you could attach the flyer. In print and electronic versions of your newsletter you could include the following notice about the event:

The FSU Departments of Mathematics and Physics are combining forces to hold a joint Open House for the general public, including students and teachers. Come join us on Saturday, October 13 from 10am-5pm for some math and physics fun! There will be double the fun with presentations, exhibits, demonstration, and workshops. Activities will take place on the FSU Main Campus in and around the Love and Richards Buildings. More details about these events, including maps, parking, and activity information, can be found on Facebook - search on:
FSU Math Fun Day (<http://www.facebook.com/FSUMathFunDay>) or
FSU Circus of Physics (<http://www.facebook.com/FSUCircusOfPhysics>).
We hope to see you there!

Thank you for helping to advertise this event and we hope to see many people participating!
