

Leon County Schools Title I - Family Engagement Survey - Spring 2021

This survey is to help us understand different aspects of the parent/school relationship. We are interested in your thoughts, feelings, and attitudes towards your child's school.

When answering these questions, please consider your experience during the 2020-2021 school year. Your responses are anonymous. Please be as honest as possible; there are no right or wrong answers.

Because each child has unique experiences in the same school, you should complete this survey for each child you have attending the selected school (one survey per child). Thank you.
