

ClassLink Firefox PC Extension Installation

The ClassLink Extension is used to access some Single Sign-on applications. To download the extension go to the Firefox Add-ons website or you will be prompted when you click on an application that requires the extension.

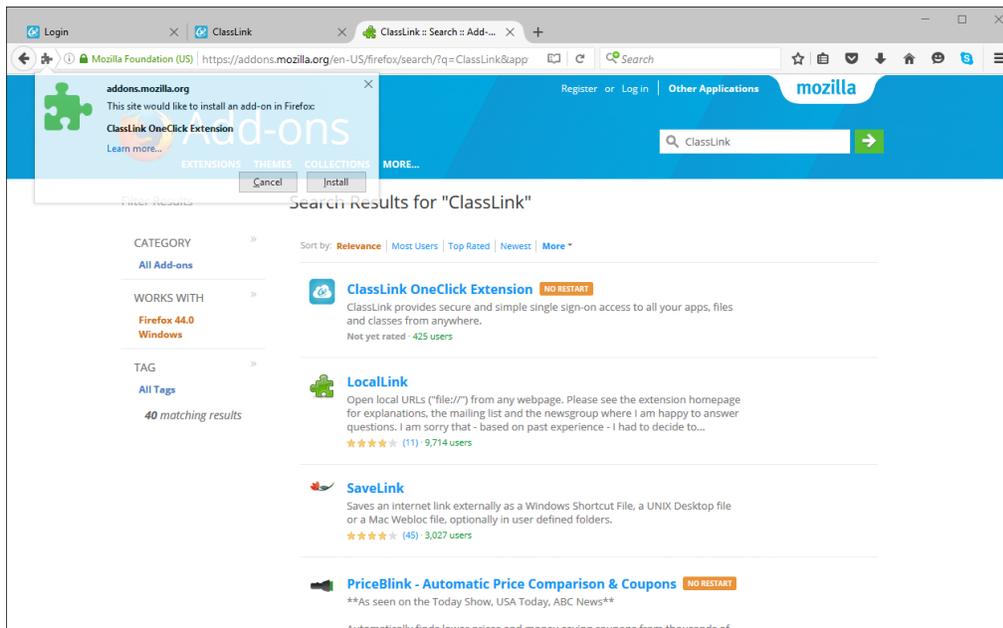

<https://addons.mozilla.org/en-US/firefox/>

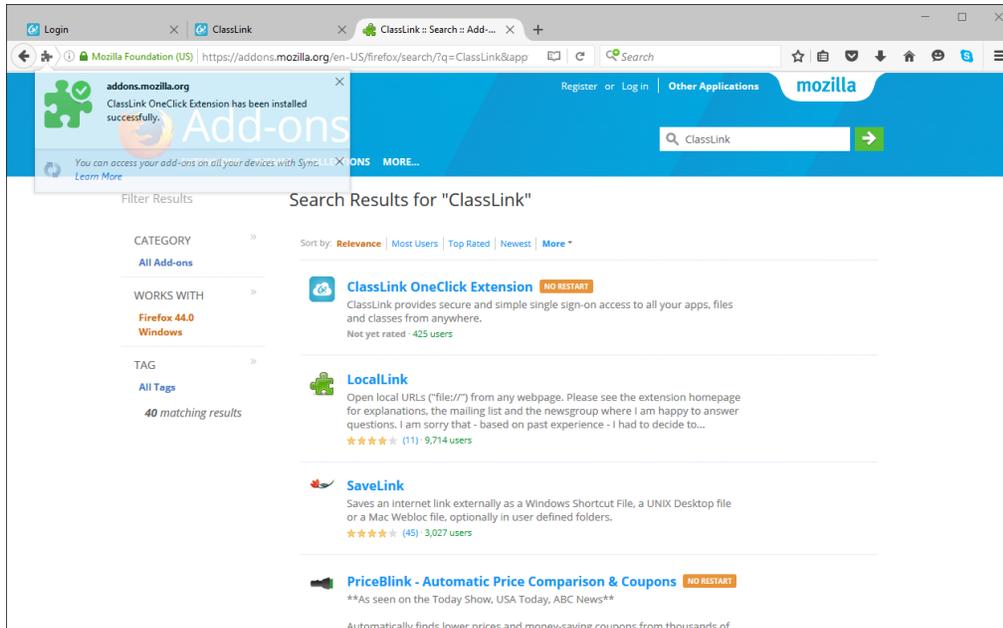

Search for 'Classlink' in the search box on the top right.

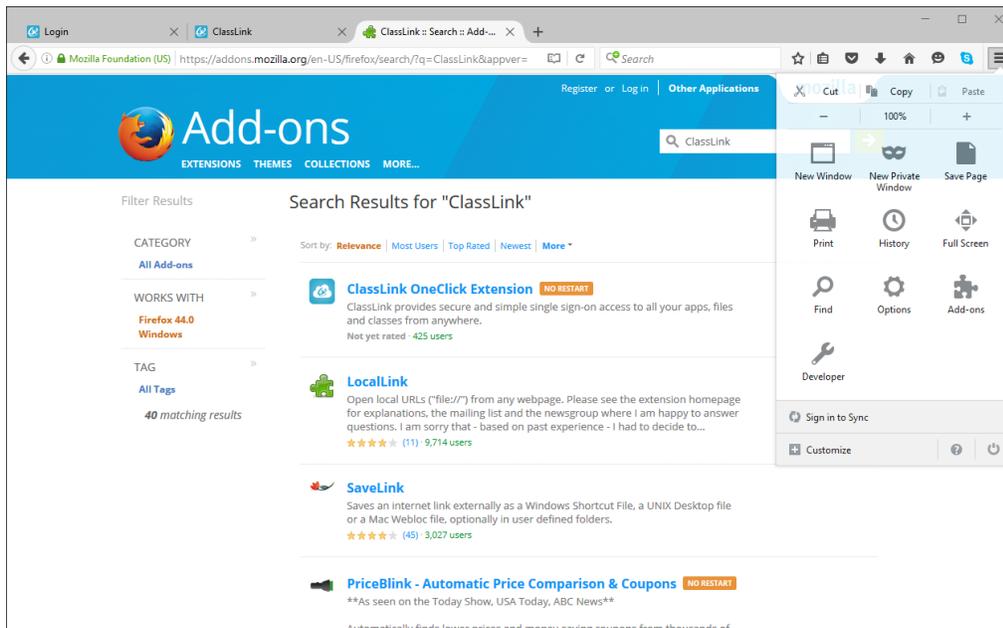

Click on the 'ClassLink OneClick Extension' Link. Then click 'Install'.

A pop up will appear telling you the extension has been installed successfully.

To make sure the extension is installed click on the 3 bar 'menu' icon in the top right.

Choose 'Add-ons'. You will see the ClassLink OneClick Extension in the list.
