

# TDAP VACCINE CLINIC

The Leon County Health Department will be offering free Tetanus-Diphtheria, Pertussis (TDaP) immunizations for sixth graders transitioning to seventh grade. **The Tdap vaccine is a required immunization for seventh graders.** Health department nurses will be administering the vaccine during school hours to students with consent forms.

Please return the attached consent forms to your student's school clinic or to [LeonSchoolHealth@flhealth.gov](mailto:LeonSchoolHealth@flhealth.gov) no later than the listed deadline.
