

ANNUAL NOTIFICATION OF NONDISCRIMINATION FOR CTE PROGRAMS

Leon High School Career Technical Education Department

Leon High School's Career and Technical Education programs prepare students to be college and career-ready by providing core academic skills, employability skills and technical, job-specific skills. National statistics show that high school students involved in CTE are more engaged, perform better and graduate at higher rates.

Students enrolled in our CTE courses will also have an opportunity to receive certifications or licenses in the following areas:

- Culinary Arts
- Business Entrepreneurship
- Digital Design
- Building Trades and Construction Design

Leon High School's career and technical programs are open to all eligible students and is committed to a policy of nondiscrimination in employment and educational opportunity. No person shall be discriminated against or harassed in any educational program, services or activities, or employment conditions or practices on the basis of race, color, national origin, religion, sex, age, disability, marital status, or sexual orientation.

Admission is open to students with limited English proficiency. In order to eliminate barriers, the district assesses each student's ability to participate and benefit through placement testing and counseling. Based on assessments, services or referrals are provided to help prepare students for successful participation.

Questions, complaints, or requests for additional information regarding discrimination or harassment may be sent to:
