## Foreword

This handbook is to be used in conjunction with Leon County Schools' Code of Student Conduct and the High School Attendance Policy which are distributed to all students at the beginning of the school year. These documents have been prepared so that all students and parents may better understand Leon High School and its policies and procedures.

All students are expected to control their own behavior and conduct themselves in a mature manner and will be held responsible for their behavior choices while participating in school activities. Disruption of the educational process causes everyone to lose valuable time and opportunities. It is our expectation that students represent Leon High School well in all they do.

## School History

Library along Park Avenue.

Leon is Florida's oldest continually accredited high school, founded in 1871 just twenty-six years after Florida became a state. It was five years later when a two-story building was erected on the present-day site of the Hobbs Federal Building along Tennessee Street. This facility was used until a new building was erected in 1911. That structure was located on the current site of the Leon County Public

Growth dictated another new facility in 1936. There was much criticism about the three-story structure that houses Leon today. Many people thought it so large that it would never be more than half-full. This third structure, which is still our home today, weathered the criticism and has served the community well.

We want every Leon student to feel part of our legacy and tradition. Once you have walked these hallowed halls, you are part of its history. Our pride is based on our tradition of excellence.

## Mission

The mission of Leon High School is to get better and be better every day!

## Motto

"Tradition, Pride and Excellence!"

## Emblem and Colors

The emblem of Leon High School is a shield bearing an old English "L", held up on either side by a Lion. The school colors, red and white, signify courage and loyalty.

## Alma Mater

The Alma Mater was written in 1934 by Coach C.H. "Blake" Clark.

The red clay hills of  
Tallahassee Harbor

**Contacting the School**

You can call Leon High School at 617-5700. The automated system will answer your calls between the hours of 7:00 a.m. – 3:00 p.m., Monday through Friday. You can then select the option for the office or employee that you need.

**Visitors**

Leon High School is a Red-Carpet School and welcomes parents and community volunteers to its campus. We do request that:

1. All visitors are to report immediately to the main office with their driver’s license upon entering the building.

2. Those wishing to see teachers, guidance counselors or administrators should schedule an appointment when at all possible. Except in the case of emergencies. For the safety of all concerned, visitors on our campus not following the proper procedures will be considered trespassers and treated accordingly.

**Concerns**

If a student or parent has a concern about a school policy or an employee, the following procedure should be followed to resolve the concern as quickly as possible:

1. Contact the person involved to discuss the issue.
2. If the concern still exists, contact the assistant principal that is assigned that area of responsibility.
3. If still unresolved, contact the principal.

Students must participate and pass all state required tests, including the FAST/FSA ELA and the Algebra EOC (end-of-course) exam. State EOC's count as 30% of the final grade in Algebra I, Geometry, Biology I, and United States History. Please see guidance for a grade specific graduation checklist.

### Transcript

All copies of transcripts must be requested through the Registrar's Office for \$1.00 each. There is a 48-hour turnaround period.

Seniors may have transcripts sent to universities and scholarships for no fee. Please see Mrs. Pridgeon for details.

### Grading System

The grading policy is as follows:

Grade	Percent	GPA Value
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	0-59	0

### Grade Reports

Report cards for grading periods one, two, three and four are available to students and parents via Focus/Parent Portal. Report cards are published to the same

portal one week after the end of the quarter. The only exceptions to this timeline are the last quarter report cards. These may be posted later than normal. Interim progress reports are published on the parent & student portal midway through each quarter. Courses with an EOC exam (Algebra I, Geometry, Biology, and US History) are not posted until the state processes test scores. The EOC exam is worth 30% of the overall grade. These courses are posted as full year (FY) and count as 1.0 credit." All other courses are reported on the transcript in semesters. Semesters include the average of the two quarter grades and a midterm or final exam and are posted as 0.5 credits.

Semester grades for each course are determined by totaling the points which are listed below for each of the two nine-weeks grading periods and adding the points earned on the semester examination to this total.

<b>Grade</b>	<b>Grading Period</b>	<b>Semester Exam</b>	<b>Semester Grade</b>
<b>A</b>	<b>8 points</b>	<b>4 points</b>	<b>18-20 pts. = A</b>
<b>B</b>	<b>6 points</b>	<b>3 points</b>	<b>13-17 pts. = B</b>
<b>C</b>	<b>4 points</b>	<b>2 points</b>	<b>8 -12 pts. = C</b>
<b>D</b>	<b>2 points</b>	<b>1 point</b>	<b>3-7 pts. = D</b>
<b>F</b>	<b>0 points</b>	<b>0 points</b>	<b>0-2 pts. = F</b>

**Note:** To earn credit for a course the student must earn a D or higher during either the second grading period or on the exam each semester.

### Grade Forgiveness (Repeating Courses)

Only students who have received a D or an F in a course may retake the same course or a comparable course. Any student eligible to repeat a course that is part of a progressive sequence (e.g. French I, French II, French III) must retake the course prior to or jointly with the next higher-level course in the sequence. This provision also applies to students who are eligible to repeat high school courses initially taken while enrolled in middle school.

Any course grade not replaced according to this forgiveness policy, which must conform to these provisions, must be included in the calculation of the cumulative grade point average required for graduation.

In computing a student's class rank and honors placement, a student with fewer repeat courses would be placed ahead of a student with the same grade point average (GPA) but more repeat courses.

## Citizenship Grade

Items considered for the Citizenship Grade are honesty, responsibility, cooperative attitude, consideration for others, tolerance, self-control, appropriate classroom behavior, and consideration of public-school personnel, property and equipment.

4	Outstanding
3	Satisfactory Conduct
2	Needs Improvement
1	Unacceptable

## Academic Integrity

Personal honor and academic integrity are essential to a quality education and a healthy academic environment.

Academic integrity violations can include plagiarism, cheating, and unauthorized group work on any assignment, project, or test.

If a student is caught the following will occur:

- The student will receive an F with zero credit.
- The citizenship grade will be lowered for the grading period.
- A notice will be recorded with the guidance office.
- Any occurrence of academic dishonesty may be reported by the guidance office on college admissions applications.

## Exams

All students must take a written or performance-based final semester exam in each course unless otherwise exempted.

Non-core exam exemptions (courses other than English, Math, Science, and Social Studies) may occur under the following conditions:

- The teacher has indicated that the course exam may be exempted. The student has made “A’s” each nine weeks.
- Core exam exemptions can occur for the final exam if the student received “A”s in the course for all four quarters.

## Guidance

Guidance counselors are available to help plan an individual course of study, to help resolve conflicts or personal problems, and to explore career opportunities and choices. To better serve students’ needs during their years at Leon, each guidance counselor is assigned a part of the student population alphabetically by students’ last names. Students may make appointments to visit with their counselor. Parents may arrange a

## Scheduling

conference by emailing or calling the guidance counselor. For more information, visit the guidance website at: <https://www.leonschools.net/domain/4937>.

## Scheduling

Students have the opportunity to select their courses in March and April. Schedule changes are made during the first five days of the semester for the following reasons:

1. The student has already received credit for the class.
2. The student is a senior and needs a certain course to graduate.
3. The teacher recommends a change.
4. The principal makes the determination based on other valid reasons.

## Instructional Materials Policy

When a student loses or damages a textbook/school assigned device, he or she is responsible for paying for the replacement. A record is kept of all student obligations. A second book may not be issued until payment is made for the first book.

## Make-up Work

Students who have an excused absence shall have the privilege of making up work for credit. Failure to make up work within the allotted time determined by the teacher may result in a failing grade. The teacher will offer reasonable support and understanding to the student regarding make-up work.

For absences of three or more days, parents are encouraged to contact the child's teachers by email to receive make-up work. A student who has been suspended shall be given an opportunity to make up work for the FIRST suspension ONLY.

## Media Center

The Leon High School Media Center has a variety of materials to assist students in meeting their educational and personal goals. The media staff is available to always help students during the operational hours from 7:00 a.m. to 2:00 p.m. Students may come to the media center without a pass before and after school and during their lunch period.

Students must have an official pass from a classroom teacher to come to the media center during class time.

Students may have up to five books checked out at any one time. Books may be renewed for a period of two weeks.

Room capacity and the nature of the activities in progress will be considered for allowing students access to the library.

## Internet Access

The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of that privilege. Each individual who receives an account will receive training pertaining to the proper use of the network. Use of the internet is for educational purposes only and must be consistent with the goals and policies of the Leon County School District. Each student will have on file an agreement with the school that states he or she understands acceptable use of the Internet.

## Withdrawal Procedures

A form for withdrawing from school is available from the Registrar's Office within the Main Office. Only a parent or guardian with legal custody may initiate the process. The Attendance Office may also initiate withdrawal procedures for students at least sixteen years old who accumulate more than ten unexcused absences in a semester.

## Attendance Policy

At Leon High School, we know that there is a direct correlation between student academic success and regular, consistent and prompt attendance at school. Absences affect academic performance and grades. Regular, consistent attendance is an expectation at Leon High School and a requirement for students to participate in certain extracurricular activities. Students who have accumulated **15 or more** absences (excused **and/or** unexcused) in semester will not be allowed to participate in the following activities unless there is an excuse from a medical doctor with **date-specific** documentation:

- School Dances (Homecoming, Sadie Hawkins, etc.)
- Field Trips (outside of regular school day)
- Junior/Senior Prom
- Grad Bash
- Other events as determined by school leadership

NOTE: Absences due to school functions, field trips, competitions, and the like are not a part of the 15-day threshold.

## Partial Day Absences and Extracurricular Activities

If a student is absent from school (four or more periods) he or she is considered absent from the afterschool activity also. If a student accumulates four or more unexcused absences from any class period during a grading period, the student may become ineligible to participate in any extra or co-curricular activities until absences are excused.

Attendance reports will be printed regularly to monitor students' eligibility for participation in school-sponsored activities and field trips. Students with Out of School Suspensions (OSS) may not be eligible to participate in school-sponsored

activities and field trips.

A copy of the District's Attendance Policy is distributed to every student at the beginning of the school year or upon registration. Students are required to attend all classes unless excused by school officials. **It is the responsibility of the parent/guardian to notify the school regarding the reason for a student's absence within three days upon returning to school and to upload written documentation to the Focus Parent Portal for all absences. Failure to excuse students' absences in a timely manner may result in truancy and driver's license suspension.**

**It is the parent's responsibility to notify the school of any change to contact information.** When a student is absent or late, the automated system generates a phone call to the parent's designated phone number after school hours. **Parents are encouraged** to check Focus for their child's daily attendance reporting.

**Excused Absences:**

(1) Curriculum related field trips (2) an administratively approved function of the school (3) illness/medical care (4) legal reasons/religious holidays (5) death in the family (6) pre-arranged absences (must be approved by an administrator).

Absences will be excused by the methods listed below:

STAYED HOME – ILL	<b>Parental note</b> -upload note to attendance Portal
MEDICAL/DENTAL/LEGAL/etc.	<b>Documentation</b> from the service provider or medical receipt
DEATH IN FAMILY	<b>Parental note or copy of obituary</b>
RELIGIOUS HOLIDAY	<b>Form</b> completed and filed with the Attendance Office during the first week of school

**Unexcused absences:**

1. Reporting to class more than 20 min. tardy
2. Not signing out for appointments, illness, etc.
3. Leaving class without permission (4) skipping– absent from class without parent permission.

**\*Students will be given consequences for tardiness and skipping infractions.**

\*\* “Senior Skip Days” do not exist. Students who are absent on any student-initiated skip day will be recorded as “unexcused.” Only medical documentation will excuse the absence.

**Tardy / Late Policy**

A student is **tardy** if he/she arrives unexcused to class up to **10** minutes after the start time of class.

A student is considered absent if he/she arrives unexcused to class more than **ten** minutes after the start time of class. **An unexcused absence will be entered.**

The teacher will record each time a student is tardy. The teacher will notify the parent about the students’ tardiness. **Beginning Quarter two, the following unexcused tardy policy will be implemented with fidelity:**

Tardy #1	Teacher managed	
Tardy #2	Teacher managed	
Tardy #3	Parent Contact	
<b>Tardy #4</b>	<b>Tardy Referral</b>	<b>Lunch Detention</b>
Tardy #5	Teacher managed	
Tardy #6	Teacher managed

NOTES:

- **Once a student has 16 or more total unexcused tardies for the quarter (all classes combined), they will not be able to attend the Homecoming Dance, Prom, Grad Bash, the Senior Carnival, or other school-wide social event that quarter.**

## Late Arrival and Leaving Campus

Any time a student arrives late to school (after the first bell) he/she must report directly to class. The student may sign-in at the Attendance Office to be excused if he/she has an excused note from the parent. Once students have reported to school, they are expected to remain in school and attend classes all day. Under the following conditions, a student may be excused to leave campus:

- A written request from a parent must be presented or a phone call must be received by the Attendance Office prior to the student leaving school.
- The student must provide a note from a parent with the student's name, time and reason for leaving, parent signature and phone number.
- The Attendance Office must have parent permission before the student is permitted to leave school with his/her own transportation for appointments and other reasons. **Parents may contact the Attendance Office at 850-617- 5748.**
- When the student returns to school, he/she is expected to turn in the required (medical, legal, etc.) documentation to the Attendance Office to excuse absence. **Official documentation can be faxed to 850-617-5757 Attn: Attendance Office**
- Parents of freshman students are encouraged to come to the attendance office and personally sign out his/ her student.
- **Students who fail to sign-in/out** will be marked as unexcused and may receive a disciplinary action or loss of off-campus privileges. Students who do not return from lunch are "unexcused" until a parent note, or appointment documentation is turned in the next day.

Attendance Policy

### How to Excuse Students:

**Excused notes must be uploaded to the Focus Parent Portal or sent via email to [leon-attendance@leonschools.net](mailto:leon-attendance@leonschools.net).** Use this link <https://leon.focusschoolsoftware.com/focus/auth/> to sign up for an account or to add another student. Instructions to upload notes to the Portal will be published routinely via focus communications. **Notes must be submitted within three days aft the student returns to school.**

### All parent notes for any reason must include the following:

1. The student's name and grade
2. The date(s) of the absence(s)
3. The specific reason for the absence, lateness or early dismissal
4. The signature of the parent
5. A daytime phone number where a parent can be reached to verify the note

**\*Notes indicating "emergency" for reason of the absence will not be**

**accepted. All notes must be date specific with a reason, i.e., illness/medical, court appearance, death in the family, etc. Extended days of absences for illness will require medical documentation after five consecutive days.**

**\*\*Students who are caught using false information on notes will be subject to disciplinary consequences.**

### **Pre-arranged Absences**

**College recruitment trips** are to be scheduled when school is not in session. Administrative permission may be granted for a planned program schedule for a specific day or if the student has a pre-planned appointment with a specific college administrator, verified in writing. The pre-arranged absence form will need to be submitted to the Attendance Office in advance.

For visits to colleges in Florida, students are allowed a one-day excused absence. For visits to out-of-state colleges, students are allowed two days. The student must have pre-arranged the visit and have documentation that he/she was on an official visit for the trip to be marked as a "field trip". College visits that are not designated as field trips must also have documentation to be excused absences (something from the college with the student's name and date(s) of visit). Students who are absent due to **recognized religious holidays** must have completed and filed with the Attendance Office a Religious Holiday(s) Exemption Form during the first nine weeks of school.

## Attendance Policy

Students who are **absent for an "educationally valuable experience"** other than a field trip or school sponsored function may receive an excused absence if the following criteria are met:

- The parent must submit a pre-arranged absence form to the attendance office at least one week prior to the absence.
- The absence must be pre-approved in advance by the principal or attendance administrator.

A student will be required to submit a one-page typed essay for absence(s) outside the scope of an "educational experience" that extends beyond one day. The student will submit the essay to the Attendance Office within three days upon his/her return to school.

### **Special Attendance Circumstances**

#### *Chronic Illness*

Students and parents are advised to monitor the number of absences, which have accumulated because of medical reasons. When absences for medical reasons are frequent (five or more within a nine weeks), it is highly advisable to seek

documentation from a doctor that a chronic illness exists.

**Any student with fifteen or more absences due to illness, including a physical or mental condition must present clearance from a physician to be absent for an extended period of time.**

**\*\*Medical/Doctor's notes need to specifically address dates of absences and may not be "blanket excuses" for all absences which have occurred over a period of time. This information must be presented to the Attendance Office as the absences occur and not at the end of the nine weeks.**

### **Attendance Conference/Appeal Process**

An Attendance Conference is held when a student has five or more unexcused absences. This is the first level of truancy. The student and parent are required to attend the conference with the administrator of attendance to resolve unexcused absences. Florida Statute 1003.24 defines, it is the parent/guardian responsibility to provide an explanation for any absence from school. Therefore, the parent may submit written documentation from a doctor or recognized agency, legal proceeding or other relevant information to excuse absences. A student is habitually truant when unexcused absences increase to fifteen (15) days or more without resolution of the unexcused absences. A Compulsory Student Attendance Packet is generated by the attendance office and submitted to the district office thereafter.

### **Driver's License**

**Students between the ages of fourteen and eighteen who accumulate fifteen (15) unexcused absences within ninety (90) calendar days and who fail to**

School Attire

**satisfy attendance requirements will become ineligible for driving privileges. Students must meet with the Assistant Principal for Attendance to discuss reinstatement procedures.**

### **School Attire**

Leon County School Board has established a reasonable dress code in order to promote a safe and healthy school setting and enhance the educational environment. While personal style and individual preferences are different, all students are expected to dress appropriately for school based on the guidelines provided.

All clothing must cover all aspects of the bosom, chest, stomach, and back. A jacket or covering may be worn to correct the inappropriate clothing.

All bottoms (pants, shorts, skirts) should fit appropriately, i.e., not tight, not sagging and should not reveal undergarments at any time; this includes bottoms with holes.

\*No clothing should reveal undergarments at any time.

**\*Pajamas are allowed for school spirit days.**

**Shoes** are required and must be safe for school activities. Bedroom shoes and house slippers are not permitted.

***Head coverings and sunglasses: Head coverings and sunglasses are not permitted in classrooms. Sunglasses are not permitted inside the building.***

**Attire and jewelry** must not be sexually suggestive or feature crude or vulgar commercial lettering, printing, or drawings which would be offensive or insensitive. They may not depict drugs, tobacco, alcohol, or be indicative of gang membership. (Leon County School Board Policy 5511)

Accommodations to the dress code will be considered for medical, cultural, and/or religious reasons.

Failure to follow the dress code will result in the following consequences:

**1st Offense** - The student shall be given a written warning. When necessary, the student will receive a proper change of clothing from the office to wear for the remainder of the school day.

**2nd Offense** - The student will be given a Lunch Detention and parent contact will be made. The student may receive a proper change of clothing from the office, or the parent may bring a set of clothing to school.

Discipline

**\*Continuous violation of the appropriate school attire will result in In-School Suspension (ISS).**

## **Hall Passes**

Students must have a pass to be outside of the classroom during class time. Students without a pass or valid reason to be in the hallway will receive consequences similar to skipping. Students are not allowed to use vending machines, patronize nearby businesses or be in the parking lot during class time. Students who abuse hall pass privileges may be placed on a limited pass/escort only list to leave the class. Any student who needs to go to the clinic must have a Clinic Pass from their teacher unless there is a true emergency, or arrangements have been made in advance.

## **Discipline**

When deciding what disciplinary action should be taken, the administrator shall consider the student's age, exceptionality, trauma, mental health status, previous conduct, probability of a recurring violation, intent, attitude, and severity of the offense and, whenever possible, shall impose disciplinary action in a progressive

manner. Students may be suspended for infractions that occur on school grounds, on school transportation, as well as off school grounds during school hours or school sponsored events such as field trips, lunchtime, or sporting events. When a student is suspended out of school, the student may not attend any school or Leon County function, enter any Leon County school campus, or ride upon any Leon County school bus. Students will receive make-up work for the first out-of-school suspension; however, make-up work is not required to be given for subsequent suspensions. Classroom discipline plans must coincide with the school discipline plan. While it is impossible to anticipate every act of misconduct, school administrators reserve the right to assign consequences in a fair and consistent manner to any student who misbehaves.

**Progressive Discipline Plan**

Disciplinary action may deviate from the plan when deemed appropriate by an administrator. Law enforcement may be contacted when a criminal act has occurred. Consequences may include but are not limited to Lunch Detention, Opportunity for Improvement, Out of School Suspension, and/or loss of privileges such as parking pass, off-campus pass, or extracurricular activities.

## **In School Suspension**

In school suspension (ISS) is a self-contained learning environment that allows for the student to reconsider poor choices and improve their behavior while continuing to complete academic curricula. Students who are in ISS may not participate in extracurricular activities (i.e. athletics, performing arts, etc.) until they have completed the ISS days assigned by the administrator. Only administrators may send students to ISS. Students will be expected to turn in all electronic devices (i.e. phones, watches, earbuds, etc.), bring their school-issued Chromebook and charger, remain quiet and complete schoolwork, comply with the ISS supervisor, when all schoolwork is completed read an educational book or help the ISS teacher with other tasks. Failure to follow rules and expectations in ISS could result in more ISS days or OSS days.

## **Leon High School Bullying Procedures**

Students receive anti-bullying awareness training each year in school. In addition, FortifyFL and Anonymous Alert are apps that can be used to anonymously report instances of bullying or harassment to law enforcement and school officials. Information regarding FortifyFL and Anonymous Alert can be found on the LHS website homepage. Incidents may be reported to any guidance counselor or administrator where an intake form will be given for the student to complete. An investigation will be conducted to determine if the bullying or harassment is substantiated. Whether the bullying is substantiated or not, a Hope Scholarship Notification will be issued which will allow the victim to attend another school if they choose to do so. When bullying or harassment has been

### **Discipline**

substantiated the offender may be suspended out of school up to 10 days, in addition to possible arrest and expulsion.

## **Drugs and Alcohol**

Any student who uses or possesses drugs and/or alcohol on school property or at a school-sponsored event will incur serious consequences. This includes, but is not limited to, removal from classes and all extra-curricular participation such as athletic events, dances, drama, club activities, etc., for a designated period of time and forfeiture of any elected or appointed position of leadership.

The consequences for violation of the drug and alcohol rules may also include suspension for up to five (5) days and an assessment by school approved drug and alcohol professionals. Depending on the circumstances, the consequences could be more stringent.

Students who are suspended the first time for drug possession or use, not sales,

may attend two counseling sessions at Turn About to have their suspension halved. Those days of suspension may be rescinded after Turn About documentation has been reviewed and approved by an administrator.

Students who sell drugs, “look-alike” drugs, paraphernalia, or any mood/mind-altering substance are not eligible for suspension rescension.

Students who possess, use or sell drugs, “look-alike” drugs, or any mood/mind-altering substance may be subject to arrest and expulsion. Students who are deemed intoxicated by the administration will be suspended out of school.

### **Tobacco/Nicotine Products**

Possession of or use of any tobacco or vape product by a student is a violation of School Board Policy. Tobacco and vape products are prohibited on the grounds of all Leon County Schools. Disciplinary action will be taken for violation of this policy.

Students who are suspended for vaping, tobacco, or nicotine possession or use, may be required to take a nicotine education course provided by the Florida Department of Health at [fltobaccoprevention.org](http://fltobaccoprevention.org).

### **Personal Electronic Devices**

Bringing a personal electronic device to school is strongly discouraged due to the high risk of theft and loss. This includes but is not limited to cell

Discipline

phones, ear buds/air pods, smart watches, iPads and personal laptops (excluding school issued Chromebook). The school will not be responsible for loss or theft of such devices. Students may bring these devices to school; however, these items must be turned off during class time and can ONLY be used in the hallways, cafeteria and outside of the buildings. Repeated violations of these rules will result in more severe disciplinary actions such as ISS and OSS

### **Cell Phone Violation Policy**

- 1st Offense – Teacher issues verbal warning.
- 2nd Offense – Teachers confiscates the phone, gives it back at the end of the class period, and contacts parent.
- 3rd Offense – Teacher confiscates the phone, delivers it to student affairs, writes a referral for Defiance, and parent must retrieve phone from student affairs between 7:00 am and 3:00 pm.

### **Refusal to give a cell phone to School Employee:**

- 1<sup>st</sup> Offense – up to 3 days ISS
- 2<sup>nd</sup> Offense – up to 3 days OSS

## Student Searches

Students, their lockers, vehicles and other possessions are subject to search by an administrator or designee upon reasonable suspicion that they may possess drugs, weapons, or any other prohibited substances, objects or contraband, while on school property or wherever students are under school supervision, such as on field trips, at extracurricular activities, or while being transported by school bus or school-approved transportation. Reasonable suspicion is a commonsense, nontechnical conception that deals with the factual and practical considerations of everyday life on which reasonable and prudent men, not legal technicians, act. (*Ornelas v. United States*, 1996, at 695).

## Prohibited Items

The following items are not permitted at school for any reason. This list cannot be all-inclusive therefore items that the administration deems inappropriate for school or similar to an item on the list below will not be allowed at school. Consequences may be issued for possession of any prohibited or similar item.

Lighters, lighter leashes, matchers, torches or fire starters of any kind; skateboards or scooters not needed for medical purposes; speakers, boomboxes, or other device that plays loud music; any items such as food or drink sold for personal profit outside of school fundraisers; spurs, spikes,

chains or other clothing accessories that can be used as a weapon; rattail combs or other cosmetic device with a sharp point; mace, pepper spray or chemical spray of any kind; strobe lights, laser pointers or other temporary blinding device; knives, blades, or razor blades of any kind; weapons including brass knuckles; imitation weapons such as Orbeez or any toy gun that shoots a projectile of any kind or looks realistic; nicotine vapes, e-cigarettes, electronic vaping devices of any kind; over-the-counter drugs, prescription drugs, HHC or any mind altering substance including but not limited to Delta 8, Delta  or any future psychoactive derivatives; vapes, e-cigarettes, or any nicotine dispensing device or playing cards.

## Bus Suspensions

When a student is suspended from riding the bus, they are still expected to attend school. Parents are responsible for providing transportation to and from school. The discipline progression below is for minor bus infractions. Egregious offenses may warrant more severe consequences when the administrator deems appropriate. When a student is suspended

from riding a bus, the student's absence is not excused. Parents are responsible for providing transportation to and from school.

- 1st offense: warning or 1-day bus suspension
- 2nd offense: 1 to 3 days bus suspension
- 3rd offense: 5 to 10 days bus suspension 4th offense: bus expulsion

### **Defiance**

Compliance with instructions and directions from all school employees is imperative. Defiance or repeated noncompliance with school employees will not be tolerated and will result in up to 5 days out-of-school suspension.

### **Leaving Campus without Permission**

Student safety is our number one priority. Keeping students on campus is the most effective way to monitor students and keep them safe. Therefore, students may not leave campus without permission once they arrive on campus. Students do not have permission to go to the convenience store at any time during the school day. This includes before school and during lunch. Students must have an off campus pass to leave campus during lunch. Students who leave campus without permission will receive out-of-school consequences due to this being a safety concern.

## Discipline

### **Fighting**

Violence of any kind will not be tolerated at Leon High School. Students who are involved in fights or physical altercations on campus or off campus during school hours will be suspended out of school and possibly arrested if criminal charges are applicable. Students who are involved in multi-person brawls will be arrested. Students who are arrested may also be expelled when deemed appropriate by the administrator.

### **Weapons**

Florida statute prohibits the possession or discharging of weapons at a school-sponsored event or on school board property. Weapons possession on school grounds is a third-degree felony. Weapons, toy weapons, or "look-alike" weapons such as brass knuckles, stun guns, and splatter ball guns are not allowed on campus at any time. This also includes any item that can be used as a weapon. Possession of any of these items on our school campus or during the school day will result in out-of-school suspension, possible arrest, and possible expulsion. Brandishing,

presenting, or using any weapons, toy weapons, or “look-alike” weapons will result in arrest and expulsion. Mace or any form of chemical spray is not permitted on campus; this includes being attached to a key chain. Razor blades, brass knuckles, and any blade over 3.5 inches are examples of weapons that call for immediate suspension, arrest, and expulsion.

## **Social Media**

The Supreme Court has held that a school can limit off-campus speech with “special characteristics.” Off-campus behaviors that may call for school regulation are serious or severe bullying or harassment targeting particular individuals; threats aimed at teachers or other students; the failure to follow rules concerning lessons, the writing of papers, the use of computers, or participation in other online school activities; and breaches of school security devices. Additionally, written or electric threats to kill, do bodily injury, or conduct a mass shooting or act of terrorism is a second-degree felony. Students who post pictures of weapons or look-alike weapons are subject to search and possible suspension.

Photographing or videoing of other students and school employees is prohibited unless consent has been given by the student or employee. Unwanted or secret videoing or photographing of students and/or school employees is prohibited and will result in school consequences. Posting secret photos or videos of school employees on social media will result in up to 5 to 10 days out of school suspension and possible expulsion.

Discipline

## **Schoolwide Disruption**

According to Florida Statute, it is unlawful for any person to disrupt or interfere with the lawful administration or functions of any educational institution, school board, or activity on school board property in this state. Students who choose to disrupt the school day will be suspended, charged and expelled. This includes but is not limited to pulling a fire alarm, being involved in a multi-person brawl, or intentionally disrupting the school day in any manner.

Students who publish or post any false or damaging information concerning Leon High School or Leon County Schools will be subject to disciplinary action.

## **Expulsion**

Students who are consistently disruptive, create an unsafe learning environment or commit egregious offenses, will be expelled for no less than the remainder of the current school year plus the following school year. When the school recommends a student for expulsion, they may not

come back to Leon High School or attend any Leon County School function for any reason during their expulsion. The parent and the superintendent will be notified via certified mail. Reasons for which the principal may recommend expulsion from school are outlined in School Board Policy 5500.

## **Safety and Security**

Opening exterior doors to allow individuals entry to campus other than through the single point of entry via guard shack, and propping doors or gates open and serious safety and security concerns. Doing so will result in school consequences for unauthorized use of school property.

## **Discrimination**

Students have a right to attend school and learn in an environment where all students and adults are treated equitably without regard to race, color, religion, national origin, age, sex, handicap, perceived disability, or record of disability as defined by the Americans with Disabilities Act; and, where there is an environment free from sexual harassment.

If a student has concerns about any form of discrimination or harassment he or she should:

1. Discuss the complaint informally with an administrator or a guidance counselor.
2. If this informal discussion does not resolve the problem, the complaint may be discussed with an Executive Director.

### **Discipline**

3. If the problem is not resolved at this level, a written, signed grievance may be submitted to the Superintendent via the Equity Coordinator not later than the tenth school day following the alleged incident. To reach the Equity Coordinator, call 487-7100.
4. If the decision of the Equity Coordinator is unsatisfactory, a similar written, and signed grievance may be submitted to the School Board. This submission must be within three school days following the notification of the Superintendent/Equity Coordinator's decision.

For more information on discipline issues, please refer to the **Leon County Schools Code of Conduct**.

## **Lunch Deliveries & Off-Campus Passes**

ACCORDING TO SCHOOL BOARD POLICY, OFF CAMPUS PRIVILEGES ARE ONLY FOR JUNIORS AND SENIORS WHO HAVE A SIGNED PARENT APPROVAL FORM ON FILE IN THE ATTENDANCE OFFICE. This privilege can be taken away for skipping classes, being tardy to class

from lunch, or for abusing school rules including, but not limited to, taking non-approved or ineligible students off campus or loitering in the parking lot during lunch. Student must have an off campus pass to leave campus during lunch. Only juniors and seniors with at least a 2.0 GPA and a notarized permission are eligible for an off-campus pass. Students who have below a 2.0 GPA can become eligible if they meet the GPA requirement at the end of the semester. No lunch deliveries are allowed.

### **Clinic**

The clinic is located in the Attendance Office area. Students in need of first aid or other related assistance must get a pass from a teacher to come to the clinic except in the case of a true emergency. If it is necessary for the student to leave campus, the parent or guardian will be called. If a student is injured on campus during the school day, the injury should be reported to a teacher or school official immediately. Accident report forms must be filled out as soon as possible. Administering any medicine to students is not a recommended procedure for schools, but at times it is necessary. Any medicine that needs to be administered at school should be done as follows:

1. Written order from a physician detailing the name of the drug, dosage, and when medications are to be taken.
2. Written permission from the parent or guardian of the student requesting that the school district comply with the physician's

order.

3. Medication must be brought to school in a container appropriately labeled by the pharmacy or physician and given to the attendant in the clinic.
4. All medications will be administered and taken in the presence of the attendant in the clinic.
5. Students who take medication **MUST** complete medical paperwork approved by the administration to participate in ANY field trip.

### **Elevator Keys**

A Student who is not able to navigate the stairs may check out an elevator key in the clinic with a \$10.00 refundable CASH deposit and note from their physician (note should also indicate length of time needed).

### **Telephone Use and Deliveries**

Students may not use the telephone during class time. Emergency calls can be made from the Attendance Office with permission. Classes will not be interrupted for messages or deliveries. Deliveries sent to school for students will not be accepted.

### **Parking**

Only students who purchase a parking sticker are allowed to park on campus in their assigned area. Do not park illegally. If you park illegally on campus, your car could be towed away at your expense. Students can be assigned lunch detentions for parking illegally on the first offense. Parking stickers can be purchased in the attendance office until sold out.

### **Emergency Drills**

Emergency drills, planned by the administration, will be conducted with or without advance notice. These include fire drills, tornado or severe weather drills, lockdowns, etc. Special directions are posted in all rooms giving an exit route in case of emergency. Students and teachers should familiarize themselves with this map at the beginning of the school year.

During fire drills students are to leave the building, remain with their class, proceed to designated areas in a single line, remain quiet, and maintain this quiet until the bell rings indicating "all clear." The teacher, or a designated student, is responsible for seeing that the windows in the classroom are closed, the lights are off, and the doors are closed.

### **Lost And Found**

All students are encouraged to label personal items and articles of clothing. Any personal items or articles of clothing which are found should be taken to the Attendance Office. Unclaimed personal items and clothing will be

donated to a charity or similar organization throughout the year.

### Student Activities

Consistent with the mission of Leon High School all students are encouraged to participate in the many, varied extra-curricular offerings at the school. Attendance and grades must be in good standing for extracurricular participants. The activities program provides the opportunity for students to:

1. Take responsibility for their own decision-making.
2. Freely and creatively express themselves in an appropriate and constructive manner.
3. Develop characteristics which enable each student to function as a productive citizen of the community.
4. Develop self-direction and self-motivation.
5. Create an attitude of self-respect and pride.

In addition to the GPA requirements of 2.0 and above, students and parents should understand that poor attendance will affect the student's opportunity to participate in any extracurricular activity or school sponsored event. If a student is absent from school (three or more periods) he or she is considered absent from the afterschool activity also. If absences become excessive, (ten or more within a nine weeks) the student may be removed from participating in extracurricular activities or school sponsored events.
