Safe Restart Procedures

In order for us to safely serve your family, adhere to the following guidelines:

Mandatory

Remain in your vehicle upon arrival. You will receive a text when you may enter the building.

One Guardian and the child will be admitted to the building.

Temperature will be taken upon entrance.

Masks are encouraged.

Social distancing is required.

Guardian shall remain with the child.

Frequent hand washing is encouraged.

Best Practices

Be sure to arrive on time. Late appointments may need to be rescheduled.

To maintain proper social distancing, building capacity has been reduced.

Anyone with a temperature of 100 degrees or more will not be permitted to continue.

Our staff will wear a mask during each appointment.

Adhere to the social distancing markers throughout the building.

Remain in your designated area during the appointment.

Our staff members sanitize materials after each appointment.
