BUILD MY PROSPECT LIST

Consider 3 to 8 Options

What is important to you?

Select schools that meet your academic profile, have the career field(s) or major(s) of interest, preferred location or community type, campus size, offer financial resources, opportunities for service learning or obtaining industry experience, etc.

REACH SCHOOLS

Include two schools that are slightly of reach in one or more areas including academic profile, cost or location.

TARGET SCHOOLS

Include three schools where the requirements match your academic requirements and resources.

SAFETY SCHOOL

Include at least one school where your academic profile exceeds admissions requirements and/or are minimal compared to other options.

PRO TIPS:

- Visit the campus.
- Participate in Guidance presentations.
- Talk with alumni.
- Find out how many freshman return after the first year.
- Check out employment placement rates.

PREPARE FOR ADMISSIONS PROCESS

Ready. Set. Apply Early!

Visit your prospective schools admissions website for the latest requirements & deadlines.

Schedule time to gather all required documents and to complete applications as early as possible.

Track your own application progress!

UNOFFICIAL & OFFICIAL TRANSCRIPTS

Go to the Lincoln website, select “Students” and then “Transcript Requests” for step-by-step instructions on how to request either an unofficial or official transcript.

SELF-REPORTED ACADEMIC RECORD (SSAR)

The SSAR (or SPARK for UCF) replaces the high school transcript in the application process. Use the Lincoln unofficial transcript when creating the SSAR so that the information submitted is complete and accurate. Submission deadlines apply!

TEACHER / COUNSELOR RECOMMENDATIONS

Applications may require support from both teachers and guidance counselors. Students must make sure to ask recommenders ahead of time, provide any needed information and give plenty of notice prior to any recommendation deadline.

PRO TIP:

Guidance counselors ask for a completed Guidance Recommendation Request packet at least **three weeks** prior to any **deadline!**

SENIOR SCHEDULE

PREPARE FOR ADMISSIONS PROCESS

Know Your Application Type & Deadlines

Schools give students options for how to apply.

Some application types may require more information from the students, teachers and guidance counselors than institutional applications.

Apply as early as possible.

INSTITUTIONAL ONLINE APPLICATION

Applying direct to the school through their own online application.

MULTI-SCHOOL APPLICATION PLATFORMS

Third-party application that allows for students to apply to more than one school with a single application. Typically a more extensive application requiring support from both teachers and guidance counselors. Students applying to schools requiring the self-reported academic record (SSAR/SPARK) will still need to complete this in addition to the third-party application.

COMMON APPLICATION

www.commonapp.org

COMMON BLACK COLLEGE APPLICATION (CBCA)

commonblackcollegeapp.com

PRO TIP:

Students using the Common App or the CBCA should see their guidance counselor as soon as possible to ask for counselor support.

PREPARE FOR ADMISSIONS PROCESS

Admissions Advice

Follow through on all admissions steps that come after the initial application. Consult your specific schools for more details.

APPLY EARLY FOR SCHOLARSHIPS & FOR HOUSING PREFERENCES

Many schools have early scholarship deadlines even if admissions windows close later. Confirm with your school how early you can apply for housing; if possible send in Housing Applications at the same time as applying for Admissions.

READ, RESPOND & SAVE COPIES

Pay attention to next steps, required documents, and respond to schools in a timely manner. Keep copies of deposit receipts, confirmations, etc.

- Tuition Deposit Deadlines
- Housing Deposit Deadlines
- Orientation Deposit Deadlines

STAY FOCUSED ON ACADEMIC SUCCESS DURING SENIOR YEAR

Admissions is based upon satisfactory completion of senior year.
SCHOOLS CAN RESCIND ADMISSION for poor senior grades or dropped classes!

CONSIDER ACT & SAT

Minimum ACT or SAT scores are required for university admissions and Bright Futures. Scores can be used for placement at community colleges and technical schools.
