

## 2022 Swift Creek Mini Mu

Our third annual Swift Creek Mini Mu competition is being held Saturday, October 22, 2022. Registration is for all 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade students. We will have two rounds of testing per grade with 4<sup>th</sup> and 5<sup>th</sup> taking the same test. We will also have math games such as Speed Math, Logic Riddles and Bacon Survivor. We will also have an awards ceremony in our cafeteria. Sponsors/Parents can check the event details provided below for more information.

**New Registration Details:** Any student in 4<sup>th</sup>, 5<sup>th</sup> or 6<sup>th</sup> grade wishing to compete may register through a team sponsor from their school or through their parent. The registration form is included below. Please return a completed form and either a check or cash of \$10.00 per student.

**Testing Details:** There will be two rounds of testing. All students in 4<sup>th</sup> and 5<sup>th</sup> grade will take the same test. Each round will consist of 30 multiple-choice questions to be completed in 40 minutes. No calculators are allowed, and scantrons will be provided.

**Scoring:** 5 points will be awarded for every correct answer  
1 point will be awarded for every question left unanswered  
0 points will be awarded for each incorrect answer

**Tie Breaker:** In the event two students end up with the same score, the student with the latest wrong answer is the winner. In the event we still have ties, we will use a short speed math test to determine the winner.

**Awards:** Awards will be given to the top 10 finishers per test in 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grades. (Trophy numbers are subject to change depending on participant numbers)
