

# HOMWORK HELP INFORMATION

Dear Parents:

The homework help center is available for all students in 1<sup>st</sup> through 5<sup>th</sup> grade who need a quiet place to do their homework. This is offered in addition to enrichment activities. Students will be able to choose on a daily basis whether they will need to go to homework help, or go to their chosen activity. Children may stay in homework help during our first enrichment classes for the amount of time it takes them to complete any work. They then have the option to leave and go back to their assigned activities.

Our homework center rules are as follows:

1. Children may not sit next to another child who is doing the same assignment.
2. Children must work quietly and independently. If they have questions they may ask one of the homework help teachers, but may not get help from another child.
3. Homework help teachers will be responsible for monitoring completion of homework that students bring to the program. No homework will be graded or checked for accuracy by the EDEP personnel. Staff will be there to answer questions and explain to the extent possible, but this is not designed to be a tutoring center.
4. It is the student's responsibility to complete their own homework in Afterschool, just as they would at home.
5. If a child is being disruptive in the homework room, they will be asked to leave. Additional consequences will be given to students who are continually disruptive.

If you need your child to go to homework help on a routine basis, you may turn in the slip below. Please make sure children have all necessary homework materials in their backpack each day.
