

EDEP & VPK Programs

Dear Parents/Guardians,

Leon County Schools is pleased to offer you **e~Funds for Schools**. This program offers various options for parents/guardians wanting to make payments online, and it is extremely user friendly. Not only can you have payments electronically charged to your debit/credit card or checking account, you also have the flexibility to make a payment at any time through the school's website or on your mobile device.

You are in full control of your account and can make payments at any time that is convenient for you. No payments will be processed without your knowledge and authorization. By providing your home or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item, will be sent to you each time that a payment is to be processed.

The **e~Funds for Schools** electronic payment service is provided to the school by a third-party service provider. The service provider has a nominal fee for their service. **The system carries a Non-Sufficient Funds (NSF) charge of \$15 if the payment is "bad." For payments made by credit or debit card, there is a convenience fee of \$2.65 per \$100.00 payment increments and there is a \$1.00 per each transaction fee for checking account payments, regardless of amount. When you set up your account, please review your options carefully.** The site is secure and uses industry standard data encryption. The district does not request or keep records of family credit card account information.
